The indicative date stated above is the date which the Company currently reasonably anticipates will be the Live Date.
- (2) EUI announced on 2 December 2020 that, as it will lose access to euro settlement in Target 2 from 29 March 2021 and unless alternative arrangements can be put in place, the last day for euro settlement in CREST will be 26 March 2021.

Chairman's letter to Shareholders

Dear Shareholder,

Replacement of CREST with Euroclear Bank for electronic settlement of trading in Ovoca Bio plc's ordinary shares

Amendment of the Articles of Association

**Notice of the Extraordinary General Meeting of Ovoca Bio plc to be held at 17 Pembroke Street
Upper, Dublin 2 on Tuesday, 16 February 2021 at 11.00 a.m.**

1. Introduction

The purpose of this Circular is to convene an extraordinary general meeting of the Company ("**EGM**") in order to approve certain resolutions which are necessary to ensure Shares in the Company can continue to be settled electronically when they are traded on Euronext Growth Dublin and AIM and further remain eligible for continued admission to trading and listing on those exchanges. In order for trading in Shares to be settled electronically, the Shares must be in uncertificated form.

Continued access to electronic settlement, and approval of the Resolutions set out in this Circular, are important to enable continued trading and liquidity in the Company's Shares and the Board believes that they are therefore crucial to the interests of the Company and its Shareholders as a whole. In light of the specific quorum requirements set out in Migration of Participating Securities Act 2019 (the "**Migration Act**") for the EGM, which require that at least three persons holding or representing by proxy at least one third in nominal value of the issued Shares of the Company are in attendance, the Board strongly urges Shareholders to review the contents of this Circular in its entirety and consider the Board's recommendation to vote in favour of the resolutions to be proposed at the EGM.

Approximately, 60.99% of the Company's issued share capital is held in uncertificated (i.e. dematerialised) form. These dematerialised Shares ("**Participating Securities**") are not represented by any share certificates and nor do they need to be transferred by the execution of a written stock transfer form. Instead, they are currently transferred by operator instructions issued via the CREST System, which is the London-based securities settlement system operated by Euroclear UK & Ireland Limited ("**EUI**").

The regulation of central securities depositories ("**CSDs**"), which operate securities settlement systems, is harmonised across the EU. As a result of the withdrawal of the United Kingdom from the EU ("**Brexit**"), EUI as at the end of the Brexit transition period on 31 December 2020, is no longer subject to EU law. On 25 November 2020 the European Commission issued Implementing Decision 2020/1766, which determined that the legal and supervisory arrangements governing central securities depositories established in the United Kingdom shall be considered to be equivalent to the requirements laid down in CSDR for a period of six months from 1 January 2021 to 30 June 2021.

On 25 November 2020, the European Commission issued Implementing Decision 2020/1766 under which "equivalence", meaning the ability to continue to provide services as a CSD, was granted to

existing CSDs in the UK until 30 June 2021. The ability to provide such services was expected to expire on 30 March 2021 and the timetable set out in the Expected Timetable of Principal Events was originally framed with that deadline in mind. It is not yet known whether and to what extent the timetable will need to be revised. In any event, it is expected that the CREST System will cease to be available for the settlement of trades in Participating Securities with effect from 30 June 2021. No alternative securities settlement system to the Euroclear System is expected to be available for the electronic settlement of trades in the Company's Shares on or before 30 June 2021.

To facilitate a common migration procedure from EUI to an EU based CSD authorised for all Irish listed companies whose shares are currently held and settled through the CREST System, the Oireachtas enacted the Migration Act. To participate in the migration procedure under the Migration Act, eligible companies must, among other requirements, pass certain shareholder resolutions prior to 24 February 2021 at a general meeting of its shareholders.

As it is essential for the Company that electronic settlement of trading of its Shares can continue in order to ensure ongoing compliance with the electronic share trading requirements for listing on Euronext Growth Dublin and on AIM, the purpose of the EGM is to consider, and if thought fit, approve a number of resolutions ("**Resolutions**") which are intended to facilitate the migration of the Company's Participating Securities from the CREST System to the CSD system operated by Euroclear Bank SA/NV, an international CSD incorporated in Belgium, ("**Euroclear Bank**" or "**EB**") (the "**Euroclear System**") in the manner described in this Circular ("**Migration**" or "**Migrate**") and to make certain other changes to the Company's Articles of Association. It is intended that Migration of the Shares will occur as part of Market Migration, which is expected to occur in mid-March 2021.

Migration will involve all of the uncertificated (i.e. dematerialised) Shares which are held in electronic form on the Migration Record Date moving from the CREST System to the Euroclear System. Under the Euroclear System, Belgian Law Rights (as defined in Part 5 of this Circular) representing any Shares admitted to the Euroclear System will automatically be granted to participants in the Euroclear System. The Belgian Law Rights will entitle persons who are or become EB Participants to direct the exercise of certain rights relating to the Shares in accordance with the terms of the EB Services Description and to hold the Belgian Law Rights directly. Existing Shareholders holding uncertificated (i.e. dematerialised) Shares which are not entitled to become EB Participants but who wish for their Shares to be admitted to the Euroclear System will either need to make arrangements for an existing EB Participant to hold the Belgian Law Rights as a custodian on their behalf, or else they may hold their Shares through CDIs. A CDI is a security constituted under English law issued by EUI that represents an entitlement to international securities. CDIs are a technical means by which interests in Shares can be held in the CREST System as an alternative to holding Belgian Law Rights directly as an EB Participant. CDIs will allow a Shareholder to continue to hold interests in the CREST System (albeit indirectly) and to settle trades in the Shares conducted on AIM.

Further information on the Belgian Law Rights which will be issued to EB Participants is set out in Part 5 of this Circular and further information in relation to CDIs is set out in Part 6 of this Circular.

If the Resolutions are not passed and the Company does not participate in Migration, all Participating Securities in the Company will be required to be re-materialised into certificated (i.e. paper) form and Shareholders and other investors will no longer be able to settle trades in the Shares electronically. This could materially and adversely impact on trading and liquidity in the Shares as it would result in significant delays for Shareholders and investors wishing to sell or acquire Shares in certificated (i.e. paper) form. It would also put at risk the continued admission to trading and listing of the Shares on Euronext Growth Dublin and AIM as the absence of electronic settlement of Shares would mean that the Company would cease to meet the eligibility criteria for admission to trading on Euronext Growth Dublin and AIM.

Neither Migration, nor the proposed changes to the Articles of Association of the Company referred to below, will impact on the on-going business operations of the Company. The Company will remain headquartered, incorporated and resident for tax purposes in Ireland. The nature and venue of the stock exchange listings of the Company will not change in connection with Migration.

Under the Euroclear System, Belgian Law Rights (as defined in Part 5 of this Circular) representing any Shares admitted to the Euroclear System will automatically be granted to participants in the Euroclear System ("**EB Participants**"). The Belgian Law Rights will entitle EB Participants to direct the exercise

of certain rights relating to the Shares in accordance with the terms of the EB Services Description. Existing Shareholders that are entitled to become EB Participants will be able to hold the Belgian Law Rights directly. Existing Shareholders which are not entitled to become EB Participants but who wish for their Shares to be admitted to the Euroclear System will either need to make arrangements for an existing EB Participant to hold the Belgian Law Rights as a custodian on their behalf, or hold their Shares through CDIs, as described below (in which case CIN (Belgium) Limited (“**CREST Nominee**”) will act as EB Participant).

The practical result of the Migration taking effect will be that holders of uncertificated (i.e. dematerialised) Shares that are held through CREST in electronic form will receive one CDI for each such share held on the Migration Record Date. A CDI is a security constituted under English law issued by EUI that represents an entitlement to international securities. CDIs are a technical means by which interests in Shares can be held in the CREST System as an alternative to holding Belgian Law Rights directly as an EB Participant. Further information concerning CDIs and the options available to such holders are set out in Parts 1B, 2 and 6 of this Circular.

CDIs will allow a Shareholder to continue to hold interests in the CREST System (albeit indirectly) and to settle trades in the Shares conducted on AIM.

2. Resolutions proposed for consideration at the EGM

Resolution 1 – Shareholders’ Consent to Migration

Resolution 1 is being proposed in order to satisfy the requirement in sections 4, 5 and 8 of the Migration Act that the Shareholders of the Company pass a resolution (called a Special Resolution in the Migration Act) to approve of the Company giving its consent to Migration. Unlike a special resolution provided for in the Companies Act, the Migration Act requires that this special resolution be approved at a general meeting at which there is in attendance at least three (3) persons holding or representing by proxy at least one-third in nominal value of the issued shares in the Company. While the Migration Act is silent on the approval threshold, Resolution 1 is being proposed by the Board on the basis that it must be approved of by 75% or more of votes properly cast, in person or by proxy at the EGM.

If Resolution 1 is approved, the consent of the Company to Migration will, subject to Market Migration proceeding, be given by a Board resolution, notice of which shall be published via an announcement through a Regulatory Information Service prior to the Live Date.

Resolution 2 – Approval and Adoption of New Articles of Association of the Company

Resolution 2 is being proposed as a Special Resolution for the purposes of the Companies Act (meaning that it must be approved by 75% or more of votes cast, in person or by proxy, to be passed) as it seeks to approve and adopt new Articles of Association of the Company to facilitate the new arrangements required as a result of Migration and to take account of changes introduced by the Migration Act. The adoption of Resolution 2 is subject to the approval of Resolution 1. Resolution 2 is being proposed as a special resolution.

An explanation of the proposed changes to the Articles of Association is contained in Part 8 of this Circular. These changes will include an amendment to the articles of association of the Company so as to allow the directors to take all steps necessary to implement the provisions of the EB Migration Guide including, where considered necessary or desirable, the appointment of an agent to effect Migration on behalf of all holders of relevant Participating Securities in the manner described in more detail in Part 8 of this Circular. These changes will also include changes which are intended to facilitate the exercise in appropriate circumstances of certain shareholder rights which would otherwise become un-exercisable directly by a holder of Participating Securities following Migration.

A copy of the Articles of Association in the form amended by Resolution 2 (marked to highlight the proposed changes) is available and (will be so available until the conclusion of the EGM) on the Company’s website (www.ovocabio.com), at its registered office and will also be available at the EGM for at least fifteen minutes before, and for the duration of, the EGM.

In accordance with applicable regulations and public health guidelines in force in Ireland UK in connection with Coronavirus (COVID-19), we request Shareholders not to attend at the Company’s offices but instead to inspect the Articles of Association on the Company’s website

Resolution 3 – to give effect to aspects of Migration

As Migration envisages the taking of certain procedural steps which are not specifically provided for in the Migration Act, including the issue of CDIs as explained in further detail at Part 1B, which cannot be implemented without the cooperation of Euroclear and EUI, the Company is seeking shareholder approval by way of an ordinary resolution to authorise the directors to take all necessary steps, in accordance with the Company's articles of association as amended, to give effect to Migration, including the migration described in and as envisaged by the EB Migration Guide, and including where considered necessary or desirable, by the execution of an agreement appointing any necessary parties to act as the agents of the holders of the Migrating Shares in order to effect Migration. It is expected that any such arrangements will be in substantial conformity with measures taken by all Irish listed and traded issuers which participate in Migration. The adoption of Resolution 3 is subject to the approval of Resolutions 1 and 2.

4. Guidance for EGM

The well-being of our Shareholders and our people is a primary concern for the Directors. We are closely monitoring the COVID-19 situation and any advice by the Government of Ireland in relation to the pandemic. We will take all recommendations and applicable law into account in the conduct of the EGM. However, the Board is discouraging attendance at the EGM in person and we would therefore encourage Shareholders to submit their Form of Proxy to ensure they can vote and be represented at the EGM. By submitting a Form of Proxy in favour of the chairman of the EGM you can ensure that your vote on the Resolutions is cast in accordance with your wishes without attending in person.

The Company continues to monitor the impact of COVID-19 and any relevant updates regarding the EGM, including any changes to the arrangements outlined in this Circular, will be announced via a Regulatory Information Service and will be available on www.ovocabio.com

In the event that it is not possible to hold the EGM either in compliance with public health guidelines or applicable law or where it is otherwise considered that proceeding with the EGM as planned poses an unacceptable health and safety risk, the EGM may be adjourned or postponed or relocated to a different time and/or venue, in which case notification of such adjournment or postponement or relocation will be given in accordance with applicable law.

5. Action to be taken

The Notice of EGM is set out as Appendix 1 to this Circular, and this Circular explains the business to be transacted at the EGM.

Due to the continuation of the Irish Government's Covid-19 restrictions in relation to public gatherings and to prioritise the health and safety of our shareholders, employees and other stakeholders, the Board is requesting that, shareholders do not physically attend the EGM and instead to submit a proxy form in favour of the Chairman to ensure they can vote and be represented at the EGM without attending in person. Please refer to the notes to the Notice of the EGM on how to appoint a proxy. Proxies must be received no later than 48 hours prior to the EGM. The meeting will be conducted as quickly and efficiently as possible and in a functional format.

The Migration Act prescribes a quorum requirement for the EGM, which is at least three persons holding or representing by proxy at least one third in nominal value of the issued shares of the Company are in attendance. Accordingly, I urge all Shareholders, regardless of the number of Shares that you own, and regardless of whether you hold or wish to continue to hold your Shares in certificated form (i.e. paper) or electronically, to complete, sign and return your Form of Proxy as soon as possible but, in any event, so as to reach the Registrar no later than 48 hours prior to the EGM.

It will be possible to listen to the proceedings of the EGM remotely by utilising a teleconference facility provided by the Company for this purpose. Shareholders will not be able to use this facility to vote, ask questions or table resolutions. To join the teleconference facility, and receive dial-in access numbers and participant passcodes, please register on the Company website at <https://www.ovocabio.com> (locate the registration button in the website header or look under the Investors drop-down menu) before 11.00 a.m. on 12 February 2021.

All shareholders will be able to submit questions in advance of the EGM in writing by email to the Company Secretary at info@ovocabio.com to be received no later than 11.00a.m. on 12 February 2021. 6. Matters which remain to be clarified

There are a number of matters which remain to be clarified as of the Latest Practicable Date in connection with Migration and which are relevant for all Irish companies whose shares are admitted to trading on a market of Euronext Growth Dublin or AIM.

- **Taxation:** The Finance Act includes measures that provide for Migration to be a tax neutral event for Shareholders. The relevant provisions have not yet been commenced. See section 1 of Part 7 for further information.
- **Brexit Omnibus Act:** The provisions of the Brexit Omnibus Act which deal with company law have not yet been commenced. See Section 5 of Part 1B for further information in this regard.
- **Resolution 3 and measures designed to give effect to Migration:** The steps to implement Migration are set out above. As the Migration Act provides only for an element of Migration (the transfer of title in Participating Securities to Euroclear Nominees), it may be necessary for the Company or another agent of the Shareholders to enter into other arrangements with EUI and/or Euroclear Bank on behalf of Shareholders to give effect to the remaining elements of Migration (involving the creation of CDIs and arrangements with EUI as described in Section 4 of Part 1B), which have not been clarified as of the Latest Practicable Date. Resolution 3 is proposed to give flexibility to the Board to give effect to these arrangements to the extent they are clarified prior to Migration. It is expected that any such arrangements will be in substantial conformity with measures taken by all Irish listed and traded issuers which participate in Migration. It is possible that these arrangements will continue to evolve, either before Migration occurs, or in the subsequent period. In addition, the date for Migration has not yet been finally determined by Euronext Dublin and may change from the expected date.
- **DWT Exemption Services:** Certain Shareholders are exempt from DWT, enabling them to claim DWT relief at source on submission of relevant declarations of entitlement. It is understood that Euroclear Bank is a Qualifying Intermediary for the purposes of DWT, enabling it to offer an at source tax service in respect of Shares in Euroclear Bank. It is understood that EUI is in the process of applying for Qualifying Intermediary status, which would, if completed, enable it to offer an at source tax service in respect of the CDIs.
- **Euro Dividend Currency Elections:** EUI's current arrangements for euro settlement with the ECB are scheduled to expire on 29 March 2021. While EUI was seeking permission from the ECB to retain access to TARGET2 following the expiry of the existing arrangements, on 2 December 2020 EUI advised that it will not be able to continue to settle in euros under the current arrangements from 29 March 2021. While this does not directly impact on the share trading of the Company as its Shares already trade and settle in GBP on AIM, based on information currently available it appears that the additional impact of this will be that it will no longer be possible for CDI holders to elect to receive a dividend in euro through the CREST system. In the absence of alternative arrangements being put in place, a euro currency election would no longer be available if desired in the future. EUI has indicated that it is investigating alternative arrangements with the aim that euros can continue as a settlement currency in the CREST System. However, there is no guarantee that this will be successful, and no clarity on timing as at the Latest Practicable Date.

7. Recommendation

The Board is not making any recommendation with respect to the manner in which Shareholders should hold their interests in the Company prior to, on, or subsequent to, Migration. Shareholders should make their own investigation in relation to the manner in which they may hold their interests in the Company at such times. Shareholders intending to hold their interests in Migrating Shares via the Euroclear System or as CDIs should carefully review Migration Guide, the EB Services Description and the EB Rights of Participants Documents (including any updated versions thereof to the extent they are published after the date of this Circular), together with the additional documentation made available for inspection as set out in paragraph 6 of Part 1B and should consider those documents in making their decisions with respect to their Migrating Shares. Nothing in this Circular constitutes legal, tax or other advice, and if you are in any doubt about the contents of this Circular, you should consult your own professional adviser.

The impact of Migration on shareholder rights, trading flows, liquidity, share custody costs, the nature, range and cost of corporate services, and the ease and ability for underlying Shareholders to exercise their economic rights, and the costs of so doing are not expected to be an improvement from the CREST System. Nevertheless in order to ensure that following March 2021 electronic trading of the Company's Shares may continue to be settled in a legally compliant manner under EU law, and to ensure ongoing compliance with the electronic share trading requirements for listing on Euronext Growth Dublin and AIM, the Board of Directors believes that each of the Resolutions are in the best interests of the Company and its Shareholders as a whole and the Board of Directors unanimously recommends that you vote in favour of each of these Resolutions, as they intend to do so themselves in respect of all of the Shares held or beneficially owned by them (as at 22 January, 2021 the Board held, in aggregate 42,818,607 Shares representing approximately 52% of the issued ordinary share capital of the Company on that date). The Board emphasises that the CREST System will cease to be available for the direct settlement of trades in the Company's Shares with effect from June 2021.

Yours faithfully,

Kirill Golovanov
Chairman

PART 1B

SUMMARY OF CERTAIN KEY ASPECTS OF MIGRATION

1. An explanation of how Migration will affect the rights of members and the form of shareholdings in the Company

(a) *Certificated Shareholders*

If you are one of our approximately 1,201 Shareholders (out of a total Shareholder base of approximately 1,418) who holds Shares in certificated form and wishes to continue to do so, the impact of Migration for you is expected to be minimal. If you hold your Shares in certificated form, and intend to transact through a broker, you may continue to do so. Following Migration, settlement of transactions in certificated Shares may involve a longer timeframe and may involve an increased cost, which is not anticipated to be material.

Shares held in certificated form will not be directly affected by Migration and can remain, for holding purposes, outside an EU CSD (but Shareholders should note the information about the requirements for dematerialisation for new issues of Shares from 1 January 2023 and for all Shares from 1 January 2025 set out in Section 5(b) of this Part 1B).

Migration will entail the holding and settlement of transfers of all of the uncertificated (i.e. dematerialised) Shares which are held through CREST in electronic form on the Migration Record Date moving from CREST to the Euroclear System. Following Migration, a single nominee shareholder, Euroclear Nominees, will hold all of such Shares on behalf of Euroclear Bank as operator of the Euroclear System and CDIs will be issued in respect of all of such Shares by EUI to the CREST members on the Migration Record Date.

(b) *Uncertificated Shareholders*

Migration will entail all of the uncertificated (i.e. dematerialised) Shares which are held in electronic form on the Migration Record Date moving from CREST to the Euroclear System. There will then be a single nominee shareholder, Euroclear Nominees, recorded as holding all of these Shares in the Companies Register of Members. Furthermore CREST Depository Interests (“CDIs”) will be issued in respect of all of the Shares held in electronic form to the CREST members on the Migration Record Date. Please see below at paragraph 4 and in Part 6 of this Circular for further information concerning CDIs. Such CREST members will then be able to either continue to hold via CDI or, subject to being, becoming, or having a custody relationship with, an EB Participant, will be able to hold via the Euroclear System. In all cases the rights of EB Participants (which will include CIN (Belgium) Limited, which is the EB Participant in respect of the Shares underlying the CDIs) in respect of the Shares, will be a Belgian Law Right (see Part 5 of this Circular) and the services available to EB Participants and to CDI holders will be governed by the EB Services Description and, additionally in the case of CDIs, the CREST International Manual.

Under the Company's existing settlement arrangements with EUI, when trades in Participating Securities are settled via the CREST System, electronic instructions are issued via the CREST System in accordance with the Companies Act, 1990 (Uncertificated Securities) Regulations, 1996 (as amended) (“**Irish CREST Regulations**”), which results in a change in the Company's Register of Members in order to reflect the transfer of legal title. When trades in securities are settled via the Euroclear System, there will be no change in the Company's Register of Members in order to reflect a transfer of legal title. It is a key difference between the Euroclear System and the CREST System that it is an ‘intermediated’ or ‘indirect’ system, under which the rights of EB Participants are governed by Belgian law. For so long as securities remain in the Euroclear System, Euroclear Bank's nominee, Euroclear Nominees will be recorded in the Company's Register of Members as the holder of the relevant Shares and trades in the securities will instead be reflected by a change in Euroclear Bank's book-entry system, as detailed in Part 5 of this Circular. A holder must be or become an EB Participant (or have access to an EB Participant as custodian) for its holding to be recorded in Euroclear Bank's book-entry system. The rights of EB Participants in respect of the Participating Securities will be determined by a Belgian law-governed contract specified in Euroclear Bank's Terms and Conditions governing use of

Euroclear including the Operating Procedures of the Euroclear System (“**EB Operating Procedures**”).

Unlike the private contract which an owner of a Share can currently enter into with a custodian which has agreed to hold Shares on the owners behalf in the CREST System, neither the EB Operating Procedures, nor the EB Service Description are capable of being varied to suit an individual owner of the Shares. The EB Operating Procedures, the EB Service Description and the EB Rights of Participants Document are governed by Belgian law. Furthermore, the services available under the Euroclear System in respect of the exercise of shareholder rights as set out in the EB Service Description are limited and this means that the rights directly exercisable by an owner of Shares will not be as extensive as is currently the case for a person holding Participating Securities in the CREST System pursuant to the Irish CREST Regulations.

The effect of Migration on the rights of members and how they may be exercised is described below:

Range of rights and services available via the Euroclear System

Holders of Participating Securities should read the EB Rights of Participants Document and the EB Services Description, which are available for inspection as explained in section 6 below. In particular, holders of Participating Securities need to be aware that in addition to its services with respect to the settlement of trades in shares, Euroclear Bank is offering to facilitate the exercise of rights by EB Participants as set out in the EB Services Description, which does not include the exercise of certain rights available to Shareholders. Appendix 2 of this Circular contains a list of shareholder rights that are not directly exercisable under the EB Services Description. It will however be possible for these rights to be capable of being exercised by a Shareholder holding in certificated form, including following a withdrawal of the relevant Shares from the Euroclear System, as described at paragraph 1 of Part 3. In seeking to effect such a withdrawal and the direct exercise of such rights, Holders of Participating Securities should be aware that in order to comply with Article 3(2) of CSDR, settlement of trades in Shares that have been withdrawn from the Euroclear System to be held in certificated (i.e. paper) form has to take place within a CSD and consequently any subsequent sale of such positions will necessitate the shares being redeposited into either the Euroclear System or CREST System as appropriate.

Please also see section 5 b) in Part 1B below in which it is explained that the future ability to enjoy direct exercise of rights after 1 January 2023 (for newly issued Shares) and 1 January 2025 (for all Shares) will depend on legislative changes which have not yet been proposed or determined by the relevant authorities.

Please see section 6 below and Part 8 of this Circular for a description of the manner in which the Company proposes that the exercise of certain of the rights listed in Appendix 2 may be facilitated without the necessity of re-materialising a shareholding.

In addition to the rights of members generally, the effect of Migration for holders of certificated shares and holders of Participating Shares (i.e. holders of uncertificated shares) is as set out below:

Holders of certificated Shares (i.e. Shareholders with paper share certificates)

The legal effects of Migration for holders of certificated Shares can be summarised as follows:

- Shareholders holding a direct interest in Shares in certificated (i.e. paper) form on the date on which Migration of the Participating Securities (the “**Migration Record Date**”) will continue to do so after the Live Date, without any further action being required.
- The Migration will not affect the manner in which they hold their Shares or exercise their rights. No new share certificates will be issued in connection with Migration.

This will also be the case for Shareholders that currently hold their Shares in the CREST System but who withdraw their Shares from the CREST System and hold them in certificated (i.e. paper) form prior to the latest time for doing so prior to Migration.

Shareholders who wish to deposit Shares currently held in certificated (i.e. paper) form into the CREST System, in order that the Shares are subject to Migration, should either become a CREST member themselves or make arrangements with their stockbroker or CREST nominee in good time so as to allow their stockbroker or CREST nominee sufficient time to deposit their Shares into the CREST System by the closing date for CREST deposits prior to Migration. Such Shareholders will then receive CDIs on Migration, as further referred to below.

As is the case currently, in the event that Shareholders holding certificated shares wish to transact in their shares on Euronext Growth Dublin or the AIM, they will need to arrange for such shares to be dematerialised (which can be done through their broker/and or custodian). This may involve certain costs being incurred and/or a delay in execution of a share trade.

Shareholders should note the information about the requirements for dematerialisation for new issues of Shares from 1 January 2023 and for all Shares from 1 January 2025 set out in Section 5(b) of this Part 1B.

As of the Latest Practicable Date, approximately 39.01% of the issued share capital of the Company is held by Shareholders who hold in certificated form. These Shareholders, who are not directly impacted by Migration, represent approximately 84.82% in number of the total registered Shareholders in the Company.

Holders of Participating Securities (i.e. holders of uncertificated Shares)

For Holders of Participating Securities, the immediate legal effects of Migration can be summarised as follows:

- Title to all Participating Securities on the Migration Record Date will become vested in Euroclear Nominees (which is incorporated in England and Wales).
- Euroclear Nominees will be entered into the Register of Members as the holder of all Participating Securities.
- CDIs will be issued in respect of all of the Shares held in electronic form to the CREST members on the Migration Record Date. Once the CDIs have been issued, the relevant CREST members will then be able to either continue to hold via CDI or, subject to being, becoming, or having a custody relationship with, an EB Participant, will be able to hold via the Euroclear System.
- As a result, holders of Participating Securities of Migration Date will no longer have direct rights as members of the Company in respect of such Participating Securities. In addition, holders in the Euroclear System will be required to utilise the services offered by Euroclear Bank in relation to the exercise of their rights as EB Participants. The services which can be availed of via the Euroclear System in respect of the exercise of Shareholder rights are limited and this means that the rights exercisable by EB Participants in respect of these securities will not be as extensive as is currently the case for a person holding Participating Securities in the CREST System.
- Only EB Participants can directly give instructions to exercise the foregoing rights, of members and avail of the foregoing services in respect of such Participating Securities (although the contractual relationship between the owner of an interest in Participating Securities and the relevant EB Participant may provide for the exercise of such rights and services). Unless a former Holder of Participating Securities at the Migration Record Date (a “**Former Holders**”) is or has become an EB Participant, the Former Holder will need to appoint an EB Participant to act on its behalf.
- The rights of EB Participants to securities deposited in the Euroclear System, as well as the services being provided by Euroclear, are governed by Belgian law contractual and statutory rights that are summarised in Part 5 of this Circular.
- The existing CREST arrangements for domestic securities applicable at the time of Migration to Participating Securities will cease to apply but where a CREST member continues to hold CDIs it will be able to settle transactions in CREST.

- Shareholders who wish to withdraw their Shares from CREST and hold them in certificated form so that they do not participate in Migration can do so and should liaise with their broker or custodian in relation to this withdrawal.
- Shareholders who wish to transfer their Shares from their account in CREST to an account in Euroclear Bank prior to Migration can do so (in which event all the characteristics of a holding via the Euroclear System will apply to them prior to Migration but their ability to avail of the services available under the EB Services Description will only commence on Migration). Any such Shareholders must either be or become an EB Participant or appoint an EB Participant to act on their behalf.
- Information concerning the process for withdrawing securities from Euroclear Bank post Migration is contained in the EB Services Description and is set out in section 15 in Part 2 of this Circular. It is expected that, while the issue of a share certificate may take up to 10 business days after entry of the transferee on the register of members of the Company, such entry can be accomplished within one business days.
- Information on becoming an EB Participant is contained in section 3(b) of Part 3 of this Circular and in the EB Services Description.

2. An explanation of how the rights and services accessible to uncertificated Shareholders following Migration (provided via the Euroclear System and via CREST in respect of CDIs) differ from those currently provided.

Holders of Participating Securities are strongly urged to read the EB Rights of Participants Document and the EB Services Description, and the CREST International Manual which are available for inspection as explained in section 6 below.

In particular, Holders of Participating Securities should note that the Euroclear Bank service offering in respect of Irish securities differs from that which is provided by CREST in respect of Irish securities pre Migration. The service offering from CREST in respect of CDIs is also different from that which is provided by CREST in respect of Irish securities pre Migration.

Part 4 of this Circular contains a high level comparison of certain elements of the service offering which will be available following Migration in relation to common corporate actions. In general terms there will be earlier deadlines for action (including deadlines for the submission of proxy instructions and restrictions on the withdrawal of proxy instructions by holders) than would currently apply and different procedural requirements (in some cases more onerous) than currently apply but the ability to vote electronically, to receive dividends and to participate in share issuances will be preserved in accordance with the terms of the EB Services Description. Shareholders are strongly encouraged to consult the EB Migration Guide, the EB Services Description and the EB Rights of Participants Documents (including any updated versions thereof to the extent they are published after the date of this Circular), together with the additional documentation made available for inspection as set out in section 6 below and should consider those documents in making their decisions with respect to their Migrating Shares

Stock Lending

Persons engaged in stock lending and borrowing transactions in Shares, as currently facilitated as part of the EUI CREST service offering, should note that such services do not form part of the EB Services Description. Persons who wish to lend and borrow Shares after Migration may seek to register for Euroclear Bank's automated Securities Lending and Borrowing (SLB) programme or use one of the other services of Euroclear Bank that can achieve an equivalent effect. It is important for Shareholders to note that the foregoing change in service offering will have an impact on any stock lending and borrowing transactions in Shares that remain outstanding as at the Live Date. The CREST stock lending and borrowing service will remain available to CREST participants holding CDIs via the CREST System.

Holding an interest in Participating Securities indirectly in the form of CREST CDIs

CDIs are a technical means by which interests in Shares can be held in the CREST System as an alternative to holding Belgian Law Rights as an EB Participant. In order to facilitate trading of Shares on the London Stock Exchange to ensure an orderly transfer to the intermediated Euroclear model, Euroclear will have arranged with EUI for CDIs to be issued to the Former Holders on the Live Date.

Following Migration, CDIs will allow a Former Holders to continue to hold interests in the CREST System (albeit indirectly) and to settle trades in the Shares. These CDIs will represent the Participating Securities deposited in the Euroclear System. In its book-entry system, Euroclear Bank will record all of the deposited Participating Securities as being in the account of CIN (Belgium) Limited (the “**CREST Nominee**”). The CREST Nominee is an EB Participant and is nominee of the CREST Depository for the purpose of the creation of CDIs. The CREST Depository’s relationship with CREST members is governed by the CREST Deed Poll. CDIs may also be of assistance for holders of Participating Securities who do not qualify as, or do not have a custody relationship with an entity which is an EB Participant. A Former Holder may then, at its own discretion, therefore continue to hold CDIs, or transfer its holding to an account in Euroclear Bank. Further information in relation to CDIs is set out in Part 6 of this Circular and a summary comparing the service offering of EUI with respect to CDIs and Euroclear Bank to EB Participants via the Euroclear System is set out at Part 4 of this Circular.

The practical result of Migration taking effect will be that all Migrating Shareholders (as defined in Part 9 of this Circular) will receive one CDI for each Migrating Share held at the Migration Record Date. Migrating Shareholders will then be entitled to choose whether (1) to continue to hold via CDI, or (2) to convert their holding via CDI into a holding of the Belgian Law Rights as an EB Participant (subject to such Migrating Shareholder being or becoming an EB Participant), or through a custodian, broker or other nominee which is an EB Participant.

3. Further background relating to Migration

Since 1996, the electronic settlement of share trading in Irish incorporated companies has been carried out through the CREST System as operated by EUI. EUI is incorporated in England and Wales and is regulated in the UK by the Bank of England. Insofar as it applies to Irish companies, the CREST System is also regulated in Ireland by the Minister for Business, Enterprise and Innovation under the Irish CREST Regulations.

Since 17 September 2014, both EUI and Euroclear Bank have been central securities depositories (“**CSD**”) operating in the EU for the purpose of the EU Central Securities Depositories Regulation (“**CSDR**”). The aim of CSDR is to harmonise certain aspects of the securities settlement cycle and settlement discipline and to provide a set of common requirements for a CSD operating securities settlement systems across the EU. CSDR plays a pivotal role for post-trade harmonisation efforts in Europe, enhancing the legal and operational conditions for cross-border settlement in the EU.

While EUI has not been authorised as a CSD for the purposes of CSDR as of the date of this Circular, it has been able to provide CSD services in Ireland on account of the ‘grandfathering provision’ in Article 69(4) of CSDR and the fact that the CREST System is regulated in Ireland by the Minister for Business, Enterprise and Innovation under the Irish CREST Regulations. That has changed when EUI became a third country CSD on the expiry of the Brexit transition period on 31 December 2020. Under CSDR, third country CSDs need to be recognised by the European Securities and Markets Authority (“**ESMA**”) to offer Issuer CSD services in the EU with respect to securities constituted under the laws of a member of the EU. In the absence of longer-term third-country equivalence being granted to EUI by the European Commission, EUI has confirmed that the CREST System will cease to be available for the settlement of trading in Irish securities with effect from 30 June 2021.

In December 2018, Euronext Dublin announced that, based on the analysis it had carried out of four possible CSD options for settlement post-Brexit, it had selected Euroclear Bank with a Belgian-based model to be the market solution for the long-term CSD for Irish securities settlement.

In May 2019, Euroclear Bank issued a White Paper which set out its proposal for Euroclear Bank to become the Issuer CSD for Irish corporate securities from March 2021.

On 26 December 2019, the Migration Act was enacted with the intention that it would provide a legislative mechanism to facilitate the migration of Irish securities from their current central securities depository to another EU-based CSD. While the issue of CDIs to Former Holders who are CREST members, as described in this Circular is a key part of the implementation of Migration, this is not provided for in the Migration Act. Instead, this aspect of Migration is to be covered by the EB Migration Guide and the amendment of the Company’s Articles of Association, including by the adoption of the proposed new Article 14 and, the approval of Resolution 3 and the measures and steps to be effected in accordance with and as envisaged by the EB Migration Guide.

On 9 October 2020, the Company notified Euroclear Bank of its intention to seek shareholder consent in order for Participating Securities in the Company to be the subject of Migration in accordance with the Migration Act (“**Notification to Euroclear**”). In the Notification to Euroclear, the Company confirmed that the following matters will be done or satisfied in time for Migration:

- (1) the Company having an issuer agent which meets or will by the time of Migration meet Euroclear Bank’s requirements for being an issuer agent in respect of the Irish Issuer CSD service;
- (2) nothing in the Company’s Articles of Association would prevent a shareholder from voting in the manner permitted by section 190 of Companies Act 2014;
- (3) nothing in the Company’s Articles of Association would prevent voting at meetings from being conducted on the basis of a poll; and

On 15 October 2020, the Company received a statement in writing from Euroclear Bank (as required by section 5(6)(a) of the Migration Act) to the effect that the provision of the services of the Euroclear Bank System to the Company will, on and from the Live Date, be in compliance with Article 23 of CSDR. In the same letter, the Company also received the statement from Euroclear Bank (as required by section 5(6)(b) of the Migration Act) to the effect that following (i) such inquiries as have been made of the Company by Euroclear Bank, and (ii) the provision of such information by or on behalf of the Company, in writing, to Euroclear Bank as specified by Euroclear Bank, Euroclear Bank is satisfied that the relevant Participating Securities in the Company meet the criteria stipulated by Euroclear Bank for the entry of the Participating Securities into the settlement system operated by Euroclear Bank. This confirmation from Euroclear Bank was stated as being subject to the information which the Company has provided to Euroclear Bank as mentioned in (ii) above being true and correct at the time of Migration. These confirmations were all required before the Company could issue this Circular.

On 9 November 2020, the UK Chancellor and HM Treasury announced that the UK will be granting a package of equivalence decisions to the European Economic Area States (“**EEA**”), including the Member States of the European Union. This includes the Central Securities Depositories Regulation 2020 which will determine that CSDs in each EEA State are equivalent to Article 25 of the CSDR which will form Part of UK law at the end of the Brexit transition period. With equivalence granted, the Bank of England can then assess CSDs in the EEA for recognition (subject to establishing cooperation arrangements with the relevant EU authorities), allowing those CSDs, once recognised, to continue to service UK securities and to exit the transitional regime contained in Article 69 CSDR and Part 5 of the UK Central Securities Depositories (Amendment) (EU Exit) Regulations 2018.

On 2 December 2020, EUI announced that it will not be able to continue to settle in Euros under the current TARGET2 arrangements from Monday, 29 March 2021. In the same announcement, EUI confirmed that it is investigating alternative arrangements with the aim that Euros can continue as a settlement currency in the CREST system. Unless such alternative arrangements can be secured, this means that the final date for Euro settlement in EUI will be Friday, 26 March 2021.

4. Implementation of Migration.

If the Resolutions are passed, and the Company satisfies the other requirements applicable to Migration becoming effective, title to all the Participating Securities in the Company at the Migration Record Date (“**Migrating Shares**”) will be vested in Euroclear Nominees as nominee for Euroclear Bank on the Live Date. The Live Date has not yet been confirmed and will be specified by Euronext Dublin in accordance with the Migration Act. For the same reason, the Migration Record Date has not yet been confirmed and will be specified by the Company when the Live Date is known. The Live Date is currently expected to be on or around 15 March 2021 with Migration occurring over the weekend immediately prior to the Live Date and then taking effect on the Live Date. The Company will give notice of further confirmed dates in connection with Migration, when known, by issuing an announcement through a Regulatory Information Service.

Euroclear Bank and EUI have identified the following sequence of steps to be taken in order to implement Migration:

- At 2.55 p.m. on the Friday preceding Migration weekend (which is expected to be Friday, 12 March 2021), EUI will stop the delivery versus payment settlement of the Participating

Securities. Free of payment settlement will continue until 6.00 p.m. on that date, at which time free of payment settlement will be stopped by EUI.

- Subject to final reconciliation between EUI and the Registrar, the Participating Securities will be reclassified as CDIs in the CREST System.
- Before the Migration Record Date, the Company's will instruct its Registrar to enter Euroclear Nominees into the Register of Members as the holder of the Migrating Shares, with title to the relevant Shares will take effect on the Live Date.
- With effect from the Live Date, all Migrating Shares will be enabled as CDIs in the CREST System.

As indicated, upon completion of the foregoing steps, the Migrating Shares will be enabled as CDIs in the CREST System. If the Former Holder wishes to exercise the rights relating to the underlying Migrating Shares via the Belgian Law Rights in the Euroclear System, rather than CDIs in the CREST System, the Former Holder must:

- (a) be an EB Participant (or must appoint an EB Participant to hold the Migrating Shares on its behalf as described further at Part 2 paragraph 6 below); and
- (b) transfer the Belgian Law Rights in respect of the Migrating Shares from the CREST International Account in Euroclear Bank to the account of another EB Participant by using cross-border delivery. The delivery instruction will need to match with a receipt instruction and all other settlement criteria required must be satisfied in order for the transfer to settle.

It will be for each Shareholder to decide whether, following Migration, it will hold the new Belgian Law Rights as EB Participants or hold his interest in the Participating Securities by way of CDIs representing those Belgian Law Rights.

The practical result of Migration taking effect will be that all Migrating Shareholders will receive one CDI for each Migrating Share held at the Migration Record Date. Migrating Shareholders will then be entitled to choose whether (1) to continue to hold via CDI, or (2) to convert their holding via CDI into a holding of the Belgian Law Rights as an EB Participant (subject to such Migrating Shareholder being an EB Participant), or through a custodian, broker or other nominee which is an EB Participant or (3) to rematerialize into certificated form.

For the avoidance of doubt, CDIs are separate and different from shares currently held within the CREST System. Currently legal title in shares entered in the Register of Members is transferred electronically in the CREST System. CDIs, however are a technical means by which interests in Shares can be held in the CREST System as an alternative to holding Belgian Law Rights as an EB Participant. CDIs will allow a Shareholder to continue to hold interests in the CREST System (albeit indirectly) and/to trade the shares on the London Stock Exchange. Further information on CDIs is set out at Part 6 of this Circular.

Shareholders should further note that the Belgian Law Rights are not securities that can be independently traded. Instead, they are special co-ownership rights in respect of the pool of the Company's Shares which are held through the Euroclear System. Belgian law grants such rights to the relevant EB Participants. Further information on the Belgian Law Rights is set out in Part 5 of this Circular.

With effect from the Live Date, the settlement of Shares traded on AIM will occur via CDI in GBP through the CREST System only as of two days following the Live Date and the settlement of Shares traded on Euronext Growth Dublin will occur via Belgian Law Rights through the Euroclear System only as of two days following the Live Date in Euro. This is due to the respective requirements of, *inter alia*, the London Stock Exchange Trading Rules and the Euronext Dublin Trading Rules.

Where persons hold interests in Migrating Shares via a contractual arrangement with another party, such as a broker or other custodian, they should consult that party as well as their independent professional advisers to ascertain the effect of Migration on such interests.

5. Regulatory Matters including certain Company law provisions

Migration will impact a number of areas of Irish company law as referred to below.

- (a) When the relevant provisions of the Brexit Omnibus Act are commenced it will amend Irish company law in a number of respects to enable and facilitate the implementation of Migration and to reflect the characteristics of the Euroclear System, including the following:
- Disapplication of the requirement in section 99(2) of the Companies Act to issue share certificates with respect to shares registered in the name of a CSDR authorised/recognised CSD or its nominee;
 - Disapplication of the scheme of arrangement requirement to have approval by a majority in number by amending the definition of "special majority" set out in section 449(1) of the Companies Act and the inclusion of a new requirement that the quorum for such a scheme meeting be at least one-third in nominal value of the Company's issued shares);
 - Disapplication of the additional requirement set out in section 458(3) of the Companies Act in relation to an offer for the Company, that the assenting shareholders in respect of the relevant scheme, contract or offer are not less than 50% in number of the holders of the relevant shares in order for the offeror to be entitled to compulsorily acquire the Shares of any dissenting shareholders;
 - Amendment to section 1105(1) of the Companies Act to provide that the record date for voting would be close of business on a date not more than 72 hours before the general meeting to which it relates;
 - Insertion of a new section 1087F into the Companies Act which would facilitate the granting of irrevocable powers of attorney by way of acceptance of an offer for the Company, which is communicated through the Euroclear System following Migration, in line with the current practice with respect to acceptances communicated through CREST; and
 - Provision for transfers of shares into or out of a book-entry system operated by a CSDR authorised/recognised CSD to be given effect to without the need for a written instrument in order to transfer legal title to the transferee.

It is expected that the Brexit Omnibus Act will be commenced in time to enable Migration of the Company's Shares to occur as part of Migration, which is expected to occur in mid-March 2021.

- (b) It should also be noted that Article 3(1) CSDR requires Irish listed PLCs to arrange for their securities to be represented in book-entry form. This obligation applies from 1 January 2023 with respect to new issues of shares. From 1 January 2025, this requirement will apply to all transferable securities. The effect of these provisions, when implemented, will be that the option of holding shares in certificated form will no longer be available in the case of new issues from 1 January 2023 and in the case of existing issued shares from 1 January, 2025. Furthermore, Article 3(2) CSDR requires that where brokers undertake a transaction in transferable securities on a trading venue the relevant securities shall be recorded in book-entry form in a CSD on or before the intended settlement date, unless they have already been so recorded.

Depending on the model adopted for dematerialisation, if provision were not made by relevant legislative changes, this may mean that the investors in the Company may not subsequently be able to enforce rights which are expressed as members' rights in Company law absent amendments to company law. It is understood that the Company Law Review Group (the statutory body charged with monitoring, reviewing and advising the Minister for Business, Enterprise & Innovation in relation to company law in Ireland) has conducted a review of certain Irish company law provisions in light of the move to an intermediated settlement system. Certain of their proposals are included in the General Scheme of the Brexit Omnibus Bill. The extent of any further amendments which may be made to Irish company law, having regard also to the fact that the model to be adopted for dematerialisation has not been determined, are not known as at the date of this Circular.

A possible solution to an inability to exercise certain company law rights where re-materialisation and holding of shares in certificated form is no longer possible is that legislative amendments are

advanced in the period prior to 1 January 2023 addressing some or all of the deficiencies. Another possible solution is that each issuer proposes amendments to its Constitution so as to accommodate the exercise of those rights subject to certain conditions. It is in this context, and in advance of any possible legislative change, that the Company is proposing, pursuant to Resolution 2, to a number of amendments to its Articles of Association, designed to seek to provide that Shareholders can continue to exercise rights without the necessity of re-materialising their holdings as described below

Holders of Participating Securities are strongly urged to read Appendix 2 as some of the rights listed in this Appendix cannot be accommodated by the proposed amendments to the Company's Constitution and may not be accommodated by changes in law.

PART 2

QUESTIONS AND ANSWERS IN RELATION TO MIGRATION

The questions and answers set out below are brief as they are intended to be in general terms only. These questions and answers only highlight some of the information contained in this Circular and may not contain all the information that is important to you. Accordingly, you should read carefully and, as such, you should read the full contents of this Circular before deciding of what action to take. If you are in any doubt as to the action you should take, you are recommended to consult your independent professional personal adviser, who is authorised or exempted under the European Union (Markets in Financial Instruments) Regulations 2017 (as amended) or the Investment Intermediaries Act 1995 (as amended), if you are resident in Ireland, or who is authorised under the Financial Services and Markets Act 2000 (as amended), if you are resident in the United Kingdom, or from another appropriate authorised independent financial adviser if you are in a territory outside Ireland or the United Kingdom. The contents of this Circular, including this Part 2, should not be construed as legal, business, accounting, tax, investment or other professional advice.

1. What happens if Migration is not approved at the EGM?

If the Resolutions are not passed and the Company does not participate in Migration, all Shares in the Company which are currently held in uncertificated (i.e. dematerialised) form through the CREST System will be required to be re-materialised into certificated (i.e. paper) form and Shareholders and other investors will no longer be able to settle trades in the Shares electronically.

The Company believes that, in the absence of an alternative electronic settlement system, any failure to implement Migration would have a material adverse impact on trading and liquidity in the Shares, on the relative attractiveness of the Shares for investors, and, would cause the continued admission to trading and listing of the Shares and the current ease with which trading and settlement of transactions in Shares takes place to be at risk.

2. What do I need to do in relation to Migration?

You are encouraged to complete, sign and return the Form of Proxy to vote on the Resolutions in one of the ways explained on the front page of this Circular. **As Shareholders are requested not to attend the meeting, you are requested to appoint the Chairman as your proxy to vote as you consider appropriate.**

Any further actions that you may take/wish to take will depend on whether you hold and/or will continue to hold, your Shares in certificated form or in uncertificated form. These possible actions are referred to below.

3. If the Resolutions are approved, when will Migration occur?

The Migration is expected to occur in mid-March 2021, with the Live Date to be specified by Euronext Dublin in accordance with the provisions of the Migration Act. It is currently expected that the Live Date will be 15 March 2021.

4. I hold my Shares in certificated (i.e. paper) form and wish to continue to do so. What action should I take and what is the latest date for any such action?

Shareholders holding their Shares in certificated (i.e. paper) form and wishing to continue to do so following Migration are not required to take any action in advance of Migration (other than voting in respect of the Resolutions, should a Shareholder wish to do so). While such Shareholders are, as explained below, not directly affected by Migration, they should have regard to the Directors' recommendation that they should vote in favour of the resolutions to be proposed at the meeting.

5. I hold my Shares in certificated (i.e. paper) form but I would like to hold them in uncertificated form in CREST (via CDI) with effect from Migration. What action should I take and what is the latest date for any such action?

Shareholders wishing to hold their interests in book-entry form via CDIs in the CREST System following Migration should become a CREST member or engage the services of a broker or custodian who is a CREST member in order to have their Shares admitted to the CREST System so that they are held in uncertificated form within the CREST System in advance of the Migration Record Date in accordance with timelines to be confirmed by EUI.

Further information in relation to the impact of Migration with respect to Shares held in certificated form, and the action which Shareholders may take if they wish to hold their Shares in electronic form (whether via an EB Participant or by way of a CDI) is set out in Section 2 of Part 1B and Part 3 of this Circular.

This is in effect what happens already when such Shareholders seek to trade in their Shares and interact with a broker or custodian, who will arrange for settlement of their trades via the CREST System. Any such dematerialisation will entail similar interaction with a broker and/or custodian and may involve certain costs being incurred and/or a delay in execution of a share trade.

6. I hold my Shares in certificated (i.e. paper) form but I would like to hold them in Euroclear Bank as soon as possible following Migration. What action should I take?

Shareholders wishing to hold their interests in electronic form via Belgian Law Rights in the Euroclear System following Migration must be or become EB Participants (or must appoint an EB Participant to hold the Belgian Law Rights on their behalf and will need to make arrangements to have their certificated Shares deposited into the Euroclear System following Migration). In practice, where a Shareholder is not an EB Participant and does not wish to become an EB Participant, they should consult their broker/custodian in order to arrange for the relevant Shares to be dematerialised and held in electronic form via Belgian Law Rights in the Euroclear System using arrangements put in place by such broker/custodian. Information on how to become an EB Participant can be accessed on the Euroclear website at <https://www.euroclear.com/about/en/business/Becomingaclient/BecomingaclientEuroclearBank.html>.

These arrangements can also be put in place prior to Migration as referred to in paragraph 3.5.8 of the EB Migration Guide and will enable a holding via the Euroclear System following Migration once the transfer out of the initial CDIs holding has been completed, or at any time following Migration. If effected before Migration, the Shares will be transferred to an account in Euroclear Bank in which the Shares will be held under Euroclear Bank's investor CSD service until Migration. The services described in the EB Services Description will however only become applicable as of the Live Date

7. I hold my Shares in uncertificated (i.e. dematerialised) form; that is, in the CREST System and intend to continue to hold in the CREST System following Migration. What action should I take and what is the latest date for any such action?

If such a Shareholder wishes to hold their interests in book-entry form via CDIs in the CREST System following Migration, then no action is required to be taken by that Shareholder in advance of Migration (other than voting in respect of the Resolutions should a Shareholder wish to do so).

8. I hold my Shares in uncertificated (i.e. dematerialised) form; that is, in the CREST System and wish to hold my interests via Belgian Law Rights in Euroclear Bank as soon as possible following Migration. What action should I take and what is the latest date for any such action?

If such a Shareholder wishes to hold their interest in electronic form via Belgian Law Rights in the Euroclear System rather than via CDIs in the CREST System following Migration, then the Shareholder must be an EB Participant (or must appoint an EB Participant to hold the Belgian Law Rights on its behalf) and must transfer such Belgian Law Rights from the CREST International Account in Euroclear Bank to the account of another EB Participant by using cross-border delivery. Upon matching with a pending receipt instruction from the EB Participant, the transfer will settle if the applicable other settlement conditions are satisfied. As referred to in paragraph 6 above, these transfers can occur following Migration and can also occur ahead of Migration as referred to in paragraph 3.5.8 of the EB Migration Guide.

9. I hold my Shares in uncertificated form, but I do not wish them to be part of Migration. What action should I take and what is the latest date for any such action?

If such a Shareholder does not wish their Shares to participate in Migration, they will need to hold their interests in certificated (i.e. paper) form before the EB Migration Record Date. To do this they will need to withdraw the relevant Shares from the CREST System prior to Migration (by a time which will be confirmed closer to Migration). Based on the Expected Timetable of Principal Events the deadline for this action will be 12:00 noon on Thursday, 11 March 2021.

10. If I continue to hold my shares in certificated (i.e. paper) form following Migration, what impact will Migration have in relation to my shareholding?

While it is not expected that Migration will initially directly impact Shareholders who continue to hold their Shares in certificated (i.e. paper) form, such Shareholders should note that in order to trade their Shares on market following Migration, they will need to effect a dematerialisation of their Shares into Euroclear Bank. Any such dematerialisation will entail interaction with a broker and/or custodian and may involve certain costs being incurred and/or, a delay in execution of a share trade being experienced by the Shareholder which may differ from the comparable process applicable in respect of dematerialisation into CREST.

11. If I hold my Shares as an EB Participant or through an EB Participant following Migration, what impact will Migration have in relation to my shareholding?

After Migration, Euroclear Nominees will hold rights to securities held within Euroclear Bank on behalf of the relevant EB Participant. EB Participants' rights with respect to their Shares deposited in the Euroclear System are governed by the Belgian Law Rights and the EB Services Description.

Holding Shares through the Euroclear System will entail share custody costs and certain differences in the nature, range and cost of corporate services, including with respect to the manner in which voting rights can be exercised in person or by proxy, relative to a direct holding in the CREST System.

Shareholders who anticipate holding their Shares via the Euroclear System should familiarise themselves with the EB Services Description in this regard.

12. What is a CDI and why is it relevant in relation to Migration?

“CDI” stands for CREST Depository Interest. A CDI is a security constituted under English law issued by EUI (through the CREST Depository) that represents an entitlement to international securities.

It is only possible to hold and transfer certain securities in the CREST System, including, currently, shares constituted under Irish law “Irish Securities”. Once it ceases to be possible to hold and transfer Irish Securities through the CREST System, EUI can facilitate the issuance of CDIs representing such Irish securities, in order to provide an alternative settlement mechanism. A CDI is issued by CREST Depository to CREST members and represents an entitlement to identifiable underlying securities. Following Migration, holders of Irish Securities wishing to continue to hold, and settle transactions in, Irish Securities in the CREST System, including in respect of all trades executed on AIM, will only be able to do so via a CDI.

Each CDI issued on Migration will reflect the Belgian Law Rights related to each underlying Migrating Share. On Migration each Migrating Shareholder will receive one CDI for each Migrating Share held at the Migration Record Date. Thereafter the Former Holder may choose to hold their interests via the Euroclear System rather than via CDI. To do this the Former Holder must be or become an EB Participant (or must appoint an EB Participant to hold the Participating Securities on its behalf) and must transfer such Participating Securities from the CREST International Account in Euroclear Bank to the account of another EB Participant by using cross-border delivery. The delivery instruction will need to match with a receipt instruction in order for the transfer to settle. Please see answer number 8 above as to what steps should be undertaken to convert a holding via CDIs into a holding via Belgian Law Rights.

13. If I hold my Shares through a CDI following Migration, what is the impact of this type of holding?

In the case of a CDI the CREST Nominee (CIN (Belgium) Limited) will be an EB Participant and will hold rights to securities held within Euroclear Bank on behalf of the CREST Depository for the account of CDI holding CREST members. The CREST Depository's relationship with CDI holding CREST members is governed by the CREST Deed Poll and the CREST International Manual.

Holding by way of a CDIs will entail international custody costs and certain differences in the nature, range and cost of corporate services, including with respect to the manner in which voting rights can be exercised in person or by proxy, relative to a direct holding in the CREST System or relative to holding as an EB Participant or relative to a certificated holding.

The manner (if you do not now hold Shares through a custodian/nominee) and time period within which any such voting rights may be exercised by CDIs holders will differ from arrangements which would currently apply in respect of direct holdings in the CREST System, certificated holdings or holdings in the Euroclear Bank system.

CREST members who anticipate holding their investment in Shares following Migration via CDIs should familiarise themselves with the CDIs service offering, details of which are included in the CREST International Manual.

14. What are the taxation implications of Migration?

You should refer to Part 7 of this Circular in relation to taxation. Shareholders should consult their own tax advisers about the Irish tax consequences (and the tax consequences under the laws of other relevant jurisdictions), which may arise as a result of being Migrating Shareholders and the acquisition, ownership and disposition of Shares in the future.

In general terms, as referred to in Part 7 of this Circular:

- legislation is being enacted in Ireland to provide that Migration is a tax neutral event for Shareholders and that the Irish taxation regime subsequently applying is not materially different from that currently applying.
- Shareholders, whether they be Belgian Resident or not, are not expected to be subject to Belgian income tax on capital gains as a consequence of Migration on the basis that Migration should normally not give rise (or should not be treated as giving rise) to a definitive disposal of the Shares.
- from a UK tax perspective Migration should be a tax neutral event for Shareholders and the UK taxation regime subsequently applying should not be materially different from that which currently applies.

15. How do I withdraw my investment in Shares from either the Euroclear System or the CREST System in order to become a registered (certificated) holder.

The procedures are different depending on whether a holder of Participating Securities holds his interests via the Euroclear System as Belgian Law Rights or via the CREST System as CDIs.

Withdrawal of Participating Securities from the Euroclear System to become a registered holder (certificated)

The process to withdraw the Participating Securities from Euroclear Bank and hold them in certificated (i.e. paper) form is contained in the EB Services Description. This involves the sending of an instruction by the EB Participant to Euroclear Bank, which will be communicated to the Registrar, which will proceed to effect a transfer of the relevant shareholding from Euroclear Nominees to the transferee whose name will be entered on the Register of Members. The time period for any such withdrawal of securities from the Euroclear System, is expected to be within one (1) business day such that the owner of the Participating Securities will be entered on the register of members of the Company within one business day. Following this, it is expected that a share certificate will be issued within ten (10) business days. However, entry on the Register of Members is prima facie evidence of a shareholding under Irish law.

Former Holders whose interests in Shares are held through EB Participants (or other nominees) on their behalf will need to engage with their stockbroker or other custodian to arrange that the steps outlined above are taken on their behalf by the relevant EB Participant. For a description as to what EB Participants need to do to withdraw their Shares from Euroclear Nominees into a direct name on register (mark-down), please refer to the EB Services Description section “4.2.3 Mark-up and Mark-down”.

Withdrawal of Participating Securities from CREST to become a registered holder (certificated)

The process involved in order to withdraw the Participating Securities from the CREST System (which are held as CDIs as described in Parts 2 and 3 of this Circular) is as provided in the CREST International Manual and requires a cancellation of CDIs in the CREST System and the receipt of the relevant Belgian Law Rights into a shareholding account with a depository financial institution which is a participant in the Euroclear System. This involves the input of a cross-border delivery instruction in favour of the Euroclear System participant, who should separately input a matching cross-border receipt instruction to ensure receipt of the Belgian Law Rights. In order to give this instruction, a Holder of Participating Securities should contact the broker or agent with whom arrangements have been made with respect to the holding of CDIs or (where relevant) should him/her/itself arrange to give the necessary instruction in accordance with the CREST International Manual. After this, the process to withdraw the Participating Securities from the Euroclear System is as described above. It is expected that the process to withdraw the CDIs and receive the Belgian Law Rights into the Euroclear System can be accomplished within one (1) business day.

In order to comply with Article 3(2) of CSDR, settlement of trades in Shares that have been withdrawn from the Euroclear System to be held in certificated (i.e. paper) form has to take place within a CSD and consequently any subsequent sale of such positions will necessitate the shares being redeposited into either the Euroclear System or the CREST system, as appropriate.

Please also see section 5 b) in Part 1B in which it is explained that the future ability to enjoy direct exercise of rights after 1 January 2023 (for newly issued Shares) and 1 January 2025 (for all Shares) will depend on legislative changes which have not yet been proposed or determined by the relevant authorities.

16. Can I attend a general meeting of the Company following Migration?

Holders of Shares which are held in certificated (i.e. paper) form on the Migration Record Date will not be subject to Migration and such Shares can continue to be held in certificated (i.e. paper) form following Migration. Such holders may attend, vote and speak at a general meeting of the Company in person or by proxy in the same way as before Migration.

EB Participants holding Belgian Law Rights via the Euroclear System can instruct Euroclear Bank to vote on resolutions proposed at a general meeting, in advance of the relevant Euroclear Bank voting deadline. EB Participants can also, in advance of the Euroclear Bank voting deadline, instruct Euroclear Bank to appoint a third party (other than Euroclear Bank's nominee or the chairman of the meeting) identified by the EB Participant to attend and vote at a general meeting for the number of Shares specified in the proxy voting instruction. For example, such third party may be the EB Participant or, where the EB Participant is a broker or custodian, the client of that broker or custodian or a corporate representative.

CDI holders are able to instruct Broadridge, in advance of the relevant Broadridge voting deadline, to vote in favour, against or abstain. CDI holders can also, in advance of the Broadridge deadline, instruct Broadridge to appoint a third party (other than Euroclear Bank's nominee or the chairman of the meeting) identified by the CDI holder to attend and vote at a general meeting for the number of Shares specified in the proxy voting instruction. The third party identified in the proxy instruction, could be for example the CREST member, the client of a CREST member or a corporate representative. The CREST Nominee (as EB Participant) will then action that instruction to Euroclear Bank as set out above.

The proposed new Article 4(e) will, subject to the approval of Resolution 2 and any restrictions which may be imposed pursuant to the Articles of Association or otherwise, provide that indirect owners of Shares which are recorded in book-entry form in a central securities depository, who the Directors deem eligible to receive notice of a meeting under Article 4(c) at the date the notice was given, served or delivered, may also be deemed eligible by the Directors (in their absolute discretion) to attend and

Speak at the meeting, provided that such person remains an owner of a Share at the relevant record date of the meeting. However, such persons will not be entitled to vote or exercise any other right conferred by membership in relation to meetings of the Company while in attendance. Instead, EB Participants and CDI holders should issue voting instructions (which may include a proxy appointment as set out above) through the Euroclear System and/or the CREST System in accordance with the relevant deadlines set by Euroclear Bank, EUI and/or Broadridge.

17. Who do I contact if I have a query?

If you have any questions about the action you should take as a result of the receipt of this Circular, you should contact your stockbroker, bank or other appropriately authorised independent adviser in the first instance.

If you have any questions about this Circular, the proposed Migration detailed herein or the EGM, or are in any doubt as to how to complete the Form of Proxy, please call Computershare Investor Services (Ireland) Limited on + 353 1 4475566. Lines are open from 9a.m to 5p.m Monday to Friday, excluding bank holidays in Ireland. Please note that calls may be monitored or recorded and Computershare Investor Services (Ireland) Limited cannot provide legal, tax or financial advice or advice on the merits of Migration or the Resolutions.

PART 3

FURTHER INFORMATION PROVIDED FOR THE PURPOSE OF SECTION 6(1) OF THE MIGRATION ACT

1. Impact for Certificated Holders

Shareholders holding a direct interest in Shares in certificated (i.e. paper) form on the Migration Record Date will continue to do so from the Live Date, without any further action being required. No new share certificates will be issued in connection with Migration. Such Shareholders should note however that in order to trade their Shares on market following Migration, they will make arrangements with their broker or custodian to dematerialise their holding, much like they must do already to trade their Shares. Any such conversion of a certificated holding into a CDI holding will entail interaction with a broker and/or custodian and may involve certain costs being incurred, and/or, a delay in execution of a share trade being experienced by the Shareholder (as would be the case currently, although these may differ post Migration).

Shareholders who hold their Shares in certificated (i.e. paper) form and who wish to deposit those Shares into the CREST System, in order that the Shares are the subject of Migration should either become a CREST member themselves or engage the services of a broker or custodian who is a CREST member.

A Shareholder wishing to deposit some or all of its Shares into the CREST System in advance of Migration is recommended to ensure that the procedures are implemented no later than the date which will be confirmed by way of an announcement issued via a Regulatory Information Service by the Company closer to Migration. Shareholders wishing to hold indirect interests in their Shares in uncertificated (i.e. dematerialised) form on and immediately following Migration should make arrangements with a stockbroker or other CREST nominee in good time so as to allow their stockbroker or CREST nominee sufficient time to deposit their Shares into the CREST System by the closing date for CREST deposits.

2. Impact for Uncertificated Holders in CREST

On the Live Date, all the Migrating Shares will be enabled as CDIs representing Belgian Law Rights in the CREST System.

The practical result of Migration taking effect will be that all Migrating Shareholders will receive one CDI for each Migrating Share held on the Migration Record Date, on the basis described at sub-section (a) below. Migrating Shareholders will then be entitled to choose whether (1) to continue to hold via CDI or (2) to convert their CDIs into and instead hold and exercise the Belgian Law Rights in such Migrating Shares, subject to such Migrating Shareholders being an EB Participant or appointing an EB Participant to hold the Migrating Shares on its behalf. However, in order to avail of the second option without delay following Migration, Migrating Shareholders will need to have completed the steps outlined below prior to the Migration Record Date. Information on how to become an EB Participant can be accessed on the Euroclear website at <https://www.euroclear.com/about/en/business/Becomingaclient/BecomingaclientEuroclearBank.html>

With effect from the Live Date, each holding of Migrating Shares credited to any stock account in the CREST System will be reclassified as CDIs. Thereafter the Migrating Shares will be registered in the Register of Members in the name of Euroclear Nominees which will be holding the Shares in trust for Euroclear Bank.

(a) **CREST members and CREST Depository Interests (CDIs)**

As outlined above, on the Live Date, the CREST accounts of Migrating Shareholders who held Participating Securities on the Live Date will be reclassified as and represented by CDIs. Each CDI will reflect the indirect interest of a CREST member in the underlying Migrating Shares, transferred to Euroclear Nominees as nominee for Euroclear Bank. The terms on which CDIs are issued and held in CREST on behalf of CREST members are set out in the CREST International

Manual (and, in particular, the CREST Deed Poll set out in the CREST International Manual) and the CREST Terms and Conditions issued by EUI.

On Migration, the Company will instruct the Registrar to credit the Migrating Shares to Euroclear Nominees for credit to the EB Participant's Securities Clearance Account of the CREST Nominee.

The CREST Nominee is a participant in Euroclear System and holds rights to securities held in Euroclear Bank on behalf of the CREST Depository for the account of CREST members. The CREST Depository's relationship with CREST members is governed by the Deed Poll entered into under and governed by English law. The CREST Depository holds its rights to international securities (such rights being held on its behalf by the CREST Nominee) upon trust for the holders of the related CDIs.

Upon Migration of the Migrating Shares to the Euroclear System, Euroclear Bank will instruct EUI, pursuant to the terms of the CREST Deed Poll, to issue CDIs to, and credit the appropriate stock account in the CREST System of, the Migrating Shareholders which held the Migrating Shares on the Migration Record Date. The CDIs will represent the Belgian Law Rights held by the CREST Nominee on behalf of the CREST Depository. As the Belgian Law Rights in turn represent the underlying Migrating Shares admitted to the Euroclear System, each CDI will reflect an indirect interest in the underlying Migrating Shares. The CREST stock account credited will be the same account of the relevant Migrating Shareholder in respect of the relevant Migrating Shares.

A safekeeping fee and a transaction fee, as determined by EUI from time to time, is charged for the CREST International Settlement Links Service and in respect of transactions.

EUI will reclassify the appropriate stock account in the CREST System of the Migrating Shareholder concerned as a holding of CDIs on the Live Date.

CDIs are designated as "international securities" within the CREST System and have access to different services in terms of voting and other custody services when compared to securities held directly in CREST. EUI offers an SRD II like solution in respect of Irish Securities held as CDIs in the CREST System (which will include CDIs issued as part of Migration). However, the manner (if the relevant holder does not now hold Shares through a custodian/nominee) and time period within which any such voting rights may be exercised by CDI holders will differ from arrangements which would currently apply in respect of direct holdings in the CREST System.

(b) ***EB Participant***

Following the enablement of the CDIs in the CREST System on the Live Date, CREST members may choose to hold their interests via Belgian Law Rights in the Euroclear System rather than via CDIs in the CREST System. To hold interests in the Euroclear System, a Former Holder must be an EB Participant (or must appoint an EB Participant to hold the Belgian Law Rights on its behalf) and must transfer such Belgian Law Rights from the CREST International Account in Euroclear Bank to the account of another EB Participant by using cross-border delivery. Upon matching with a pending receipt instruction and satisfaction of other relevant settlement criteria from the Euroclear System, the transfer will settle.

Information on how to become an EB Participant can be accessed on the Euroclear website at <https://www.euroclear.com/about/en/business/Becomingaclient/BecomingaclientEuroclearBank.html>.

(c) ***Custodian, broker or nominee which is an EB Participant***

The arrangements in relation to holdings of interests by Former Holders through a custodian, broker or nominee that is an EB Participant will be subject to the terms between that custodian, broker or nominee and the Former Holder and Former Holders should consult the relevant custodian, broker or nominee in relation to the terms and conditions applying to such arrangements.

3. Options for Shareholders who do not wish their Shares to be subject to Migration

Shareholders holding a direct interest in Shares in certificated (i.e. paper) form on the Migration Record Date will not be subject to Migration. No action needs to be taken by a Shareholder who holds Shares in certificated (i.e. paper) form and wishes to continue to do so following Migration.

If a holder of Participating Securities does not wish their relevant Shares to be subject to Migration, the relevant Shares must be converted into certificated (i.e. paper) form by withdrawing them from the CREST System.

The recommended latest time for receipt by EUI of a properly authenticated dematerialised instruction requesting withdrawal of Shares from the CREST System in order to ensure that the shares will not be subject to Migration will be confirmed by way of an announcement issued via a Regulatory Information Service by the Company. You are recommended to refer to the CREST Manual for details of the procedures applicable in relation to withdrawal of Shares from the CREST System. Shareholders wishing to hold their Shares in certificated (i.e. paper) form prior to Migration should make arrangements with their stockbroker or other CREST Nominee in good time so as to allow their CREST Nominee sufficient time to withdraw their Shares from the CREST System by the closing date for CREST withdrawals as outlined in the EB Migration Guide.

PART 4

COMPARISON OF THE EUROCLEAR BANK AND EUI SERVICE OFFERINGS

1. Summary

Following Migration, Migrating Shares which are held through the Euroclear System via Belgian Law Rights will be subject to the service offering set out in the EB Services Description. Migrating Shares which are held through the CREST System via CDIs will be subject to the service offering expected to be set out in the CREST International Manual. These service offerings differ from each other in some respects as well as from the current service offering available in respect of Participating Securities which are currently admitted directly to the CREST System. This Part 4 provides a summary of the key differences between these service offerings.

Whilst the timelines and mechanics of a CREST participant holding a security constituted under Irish law taking part in many corporate actions may be affected by the change of model from a direct 'name on register' legal holding to an intermediated CDI holding (through Euroclear Bank) the effective exercise of the rights of such CREST participant will be substantially unaffected. The timeline for exercising corporate actions on securities held as a CDI in EUI will be different to timelines to exercise corporate actions on securities held in Euroclear Bank as EUI, being an EB Participant through the CREST Nominee, will receive notifications later and will have to set earlier deadlines in order to be able to send those instructions to Euroclear Bank by the deadline set by Euroclear Bank.

Shareholders who expect to hold their interests in Migrating Shares through a custodian, nominee or other intermediary should be aware that earlier deadlines for some corporate actions may apply under the arrangements between the Shareholder and that custodian, nominee or other intermediary. Shareholders intending to hold their interests in Migrating Shares through the Euroclear System via Belgian Law Rights or the CREST System via CDI's should carefully review the EB Migration Guide, the EB Services Description and the EB Rights of Participants Document and, in the case of CDIs, the CREST Deed Poll and the CREST International Manual (including any updated versions thereof to the extent they are published after the date of this Circular), together with the additional documentation made available for inspection as set out in Section 6 of Part 1B of this Circular and should consult with their stockbroker or other intermediary in making their decisions with respect to the manner in which they wish to hold their Migrating Shares and not rely on the summary below, which is incomplete and may exclude descriptions of differences which are material to the circumstances of an individual Shareholder. Shareholders should note that a revised CREST International Manual is expected to be published before Migration occurs. This Part reflects expected revisions to the CREST International Manual, but Shareholders should always consult the most recent version available.

The Company is not making any recommendation with respect to the manner in which Shareholders should hold their interests in the Company prior to, on, or subsequent to, Migration. No reliance should be placed on the contents of this Circular for the purposes of any decision in that regard.

2. Voting

- Section 5.3.2.7 of The EB Operating Procedures describes the specific contractual aspects of how the voting service is operated by Euroclear Bank. This Section is further supplemented by the 'Online Market Guides' for market specific operational elements (currently the EB Services Description) (those Online Market Guides forming part of the contractual relationship between Euroclear Bank and its Participants).
- Section 5.3.1.4 of the EB Operating Procedures makes clear that Euroclear Bank has no discretion in exercising any corporate action, including a voting instruction, and will act only upon instruction of the Participant (where an instruction is needed).
- Chapter 4 of the CREST International Manual outlines the broad principles surrounding the management of corporate actions in the CREST system for CDIs.
- All material information regarding the manner in which the voting rights are exercised can be found in the EB Services Description.

4. Dividend and Corporate Actions

- The general framework on Corporate Actions is described in Section 5.3 of the EB Operating Procedures, with further detail on certain corporate actions being set out in Section 5.3.2.
- Section 5.3.2.7 of the EB Operating Procedures restricts Euroclear Bank where Euroclear Bank requires an instruction in respect of a corporate action, it does not have discretion in exercising such corporate action and confirms that Euroclear Bank will act only upon instruction of the EB Participant (where an instruction is needed). Certain corporate actions may have a default action which will be taken by Euroclear Bank if no instruction is received by the appropriate deadline.
- Section 5 of the Euroclear Terms and Conditions governing use of the Euroclear System provides that income/dividends received by Euroclear Bank will be distributed pro-rata to the holders of the relevant securities (e.g. the relevant EB Participants).
- Further details on the process of collection, distribution and payment of dividends are provided for in Section 5.3 of the EB Operating Procedures, with reference to the 'Online Market Guides' for market specific operational elements (currently the EB Services Description).
- All material information regarding the manner in which receipt of dividends and participation in corporate actions is processed is described in the EB Services Description section 5- Custody-Income and Corporate Actions.

EUI has in place various instructions which facilitate the payment of dividends to shareholders. CREST members can receive dividends by cheque or alternatively via SEPA or BACS or through the CREST System, should the issuer offer these options.</p>

<p>Other corporate actions (including dividends with options)</p>	<p>Registrars advise Euroclear Bank of corporate actions in a standardised way. Upon receipt of a notification, Euroclear Bank notifies every EB Participant having a position or a pending settlement instruction in the relevant security. 		Participant) with their respective entitlement. Upon receipt of the relevant proceeds, EUI will credit the CREST members with their entitlement based on either their elections or the holdings they had on the relevant record date.	
Deadline for corporate action instructions	The deadline will be determined on a case-by-case basis as it is dependent upon the market deadline (set by the issuer) and the type of corporate action event.	The deadline would be earlier than the Euroclear Bank deadline, as EUI needs to ensure it sends its instructions to Euroclear Bank within the Euroclear Bank deadline.	The deadline is managed by the issuer, their agent in the CREST System and the shareholder. EUI is not involved and does not supervise the way in which corporate actions are offered. Deadlines are not enforced by EUI.
Remedies of holders	EB Participants' rights and remedies are set out in the Belgian contract entered into with Euroclear Bank.	CREST members' remedies are set out in the CREST Deed Poll.	As directly registered shareholders, all rights and remedies are governed by the Companies Act and the Company's Constitution.
Treatment of fractional entitlements.	Euroclear Bank does not credit fractional entitlements. EB Participant with the largest fractional entitlement will be rounded up until all fractional entitlement are distributed.	As Euroclear Bank will not credit fractions of securities proceeds, CREST members will not be credited with fractional entitlements.	Fractional entitlements are managed by the issuer. Fractions are commonly sold for the benefit of the Shareholder, save for de minimis amounts.

5. Exchange for Certificated Interests

Appendix 2 of this Circular contains a list of shareholder rights under the Companies Act that are not directly exercisable under the EB Services Description or the CREST International Manual. For this reason, the Company is proposing to ensure that many of these rights remain exercisable by making certain amendments to the Articles of Association as part of the approval of Resolution 2 in the EGM Notice. These amendments are also detailed in Part 8. **Holders of Participating Securities are strongly urged to read Appendix 2 as some of the rights listed in this appendix cannot be accommodated by the proposed amendments to the Articles of Association.** These rights are still capable of being exercised after Migration, but in order to do so, the relevant intermediated holder will have to arrange to have his interest in his Shares withdrawn from the Euroclear System (and the CREST System in the case of CDI holders) and held in certificated (i.e. paper) form. The process for doing so is set out below:

(a) ***Actions to be taken by EB Participants***

EB Participants can withdraw their shares from EB Nominee into a direct name on the register (mark-down). For a detailed description as to what EB Participants would need to do, please refer to the EB Services Description section 4.2.3 – Mark-up and Mark-down.

(b) ***Actions to be taken by a holder of a CDI***

A CDI only exists in the CREST System as a settlement mechanic. It is not possible to directly rematerialise a CDI. Please see Clause 6 of the CREST Deed Poll set out in Chapter 8 of the CREST International Manual. There are two distinct steps in this process:

1. If a CREST member no longer wishes to hold their interest in the underlying Irish security by way of a CDI, they can choose to deliver the interest out to an EB Participant. Once the delivery in Euroclear Bank is settled, EUI will debit the CDI.
2. Euroclear Bank enables EB Participants to withdraw their shares from EB Nominee into a direct name on register (mark-down). For a detailed description as to what EB Participants need to do, please refer to the EB Services Description section 4.2.3 – Mark-up and Mark-down of the EB Services Description.

PART 5

OVERVIEW OF CERTAIN BELGIAN LAW RIGHTS

A description of the Belgian Law Rights that, as a matter of Belgian law, are granted to EB Participants in respect of the Shares credited to them in the Euroclear System is set out below. The summary contained in this Part 5 is based on existing Belgian law. Legislative or contractual changes may modify the summary, or the effect of the summary described in this Part 5.

1. Legal framework

Section 4(b) of the Terms and Conditions governing use of Euroclear (the “**Euroclear Terms and Conditions**”) lists the various pieces of legislation which govern securities held in the Euroclear System, namely:

- (a) the coordinated Royal Decree No. 62 on the deposit of fungible financial instruments and the settlement of transactions involving such instruments (“**Royal Decree No. 62**”), which applies to all types of securities admitted in the Euroclear System which are, in principle not governed by one of the specific pieces of legislation listed in items (b) to (d) below;
- (b) the Act of 2 January 1991 on the market in public debt securities and monetary policy instruments, which applies to dematerialised debt instruments issued by the Belgian federal government or other public-sector entities;
- (c) the Act of 22 July 1991 on commercial paper and certificates of deposit, which applies to certain short- or medium-term dematerialised debt instruments issued by Belgian issuers or foreign issuers that have specifically chosen to use one of these types of securities;
- (d) the Belgian Companies and Associations Code (section 5:30 et seq. and section 7:35 et seq.), which apply to dematerialised securities issued by certain Belgian companies, it being understood that, notwithstanding the statement above at sub-section (a), certain provisions of the Royal Decree No.62 also apply to these types of securities; or
- (e) other applicable Belgian pieces of legislation providing for a regime of fungibility, as the case may be and as the same may be amended, supplemented or superseded from time to time (note that there are currently no such other applicable pieces of legislation).

The asset protection rules set out in the pieces of legislation listed at sub-sections (b) to (d) above provide a protection which is equivalent, in substance, to the protection afforded by Royal Decree No. 62. In addition, some of the pieces of legislation listed above do not apply to shares issued by an Irish issuer (for example due to the fact that they only apply to securities issued by a Belgian issuer or by a Belgian public authority) and the remainder of this summary, therefore, relates only to those rules provided for by Royal Decree No. 62.

2. Scope of Royal Decree No. 62

Royal Decree No. 62 applies to all securities (other than with a limited number of exceptions those governed by one of the specific pieces of legislation mentioned in sub-sections (b) to (d) above) deposited with Euroclear Bank by EB Participants, irrespective of whether:

- (a) the securities have been initially deposited with Euroclear Bank or have first been deposited with another CSD before being transferred to a Securities Clearance Account opened on the books of Euroclear Bank;
- (b) Euroclear Bank sub-deposits these securities with sub-custodians or CSDs in Belgium or elsewhere; and
- (c) where relevant, under the law governing the securities, it is the EB Participant, Euroclear Bank itself or a nominee (e.g. Euroclear Nominees Limited) that has legal title to the securities.

3. Fungibility

Securities held by Euroclear Bank on behalf of EB Participants are fungible (Article 6 of Royal Decree No. 62). This means that once the securities have been accepted by Euroclear Bank for deposit in the Euroclear System, it is no longer possible to identify (whether on the books of Euroclear Bank or in the books of the relevant depository) a specific security (by means of a serial number or otherwise) as belonging to a particular EB Participant.

Owing to this fungibility, securities held in the Euroclear System are treated on a book-entry basis. Rights to such securities (i.e. the co-ownership right on the pool of securities of the same issue held in the Euroclear System discussed below are evidenced by entries to the Securities Clearance Account of the relevant EB Participant.

4. Rights attaching to the securities

The rights that EB Participants have in respect of securities held in the Euroclear System are twofold: an EB Participant has a right to claim back the underlying securities initially deposited or transferred to a Securities Clearance Account under the fungibility regime but also, as long as the securities are held in the Euroclear System, a co-ownership right on all securities of the same issue held under the fungibility regime. The deposit of securities in the Euroclear System amounts to the exchange by the depositor of an ownership interest in specific securities for an intangible co-ownership right over the pool of securities of the same issue as such specific securities held in the Euroclear System by all EB Participants). It is this co-ownership right that is the subject of book-entry transfers between Securities Clearance Accounts in the Euroclear System. If an EB Participant wishes to take possession of or recover an ownership interest in specific securities it may at any time request the delivery of an amount of underlying securities corresponding to the amount of such securities the co-ownership right of which are recorded on the EB Participant's Securities Clearance Account. As from such delivery, the securities will no longer be held in the Euroclear System. Such delivery would satisfy the recovery claim the EB Participant has against Euroclear Bank as evidenced by the credit to the EB Participant's Securities Clearance Account.

5. Nature of the co-ownership right

Royal Decree No. 62 offers enhanced protection to holders of book-entry securities compared with mere contractual rights. Under Royal Decree No. 62 EB Participants are granted an intangible co-ownership right over the pool of book-entry securities of the same issue held by Euroclear Bank on behalf of all EB Participants that hold securities of that issue (Article 2 of Royal Decree No. 62). Securities of the same issue are securities that have been issued by the same issuer and have the same maturity and rights (i.e. the same ISIN) (and are therefore fungible).

The existence of this co-ownership right affords EB Participants specific rights with respect to the securities recorded on their Securities Clearance Account, (in this case the Migrating Shares) which would not otherwise arise under Belgian law in favour of holders of pure contractual rights, namely:

- (a) a right to directly exercise voting rights (subject to the laws applicable to the underlying securities, i.e. the Migrating Shares); and
- (b) a right of recovery (*terugvorderingsrecht/droit de revendication*), i.e. a proprietary right to receive back the relevant quantity of securities in the event of the bankruptcy of Euroclear Bank (or any other proceedings in which the rule of equal treatment of creditors applies (*geval van samenloop/situation de concours*)).

These rights are regarded as the two essential attributes of ownership under Belgian law.

As a consequence of the fungibility of the securities deposited with Euroclear Bank, Article 12 of Royal Decree No. 62 provides that the right of recovery is a collective right, to be exercised collectively by all EB Participants that have deposited the relevant securities (rather than an individual right to be exercised by each EB Participant). This right is as a matter of principle to be exercised by the administrator of Euroclear Bank's bankruptcy or any other procedure where the rule of equal treatment of creditors applies (*geval van samenloop/situation de concours*), and it is the administrator that would, on behalf of all EB Participants having deposited the securities concerned, claim those securities back from the depositories. Where the administrator would fail to take any action to effect the recovery of the

securities held on behalf of EB Participants, it is considered that each EB Participant may directly make a claim with the depositories for the portion of securities held by it in the Euroclear System as evidenced by the entries in the Securities Clearance Account(s) of the EB Participant.

6. Absence of proprietary right of Euroclear Bank

Euroclear Bank has no proprietary right in respect of securities recorded in EB Participants' Securities Clearance Accounts. This is without prejudice to the other rights Euroclear Bank may have with respect to securities held in the Euroclear System as described elsewhere in this Part 5. See in particular the statutory liens and other rights described further below).

7. Insolvency of Euroclear Bank

Under Belgian law, were bankruptcy proceedings (*faillissement/faillite*) to be opened in respect of Euroclear Bank, the assets of Euroclear Bank would be placed under judicial control to be conserved, administrated and liquidated by one or more bankruptcy administrators (*curator/curateur*), in order to reimburse the creditors of Euroclear Bank. The administrator would also be responsible for returning to each EB Participant the securities it holds in the Euroclear System.

The National Bank of Belgium ("**NBB**") may also commence resolution measures in respect of Euroclear Bank in accordance with Title VIII of the Act of 25 April 2014 on the status and supervision of credit institutions and stock brokerage firms ("**Banking Act**") which has implemented amongst others, Directive 2014/59/EU of the 15 May 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms ("**BRRD**") in Belgium. The impact of such resolution measures on EB Participants would depend on the measures taken. Section 288 of the Banking Act provides that the resolution authority should ensure that the exercise of its resolution powers does not affect the operation of and regulation of payment and settlement covered by Directive 98/26/EC of 19 May 1998 on settlement finality in payment and securities settlement systems ("**Settlement Finality Directive**").

8. Securities held on behalf of EB Participants are not part of bankruptcy estate

EB Participants are granted an intangible co-ownership right over the pool of book-entry securities of the same issue held by Euroclear Bank on behalf of all EB Participants that hold securities of that issue (Article 2 of Royal Decree No. 62). Such securities would not form part of the assets of Euroclear Bank which would be available for the satisfaction of the claims of Euroclear Bank's creditors where bankruptcy proceedings (*faillissement/faillite*) would be commenced in respect of Euroclear Bank or where resolution measures affecting Euroclear Bank would be taken.

9. Recovery of securities

Securities held with Euroclear Bank would be recoverable in kind by the EB Participants in the event of bankruptcy proceedings (*faillissement/faillite*) or resolution measures affecting Euroclear Bank. As noted above, EB Participants have a right of recovery (*terugvorderingsrecht/droit de revendication*), i.e. a proprietary right to receive back the relevant quantity of securities in the event of bankruptcy proceedings (*faillissement/faillite*) or any other procedure where the rule of equal treatment of creditors applies (*geval van samenloop/situation de concours*). This recovery right must be brought collectively in respect of the pool of securities of the same issue held by EB Participants with Euroclear Bank.

Article 12 of Royal Decree No. 62 provides that where the pool of securities is insufficient (i.e. if there is a securities loss) to allow complete restitution of all due securities of a specific issue held on account with Euroclear Bank by all EB Participants, the pool must be allocated among the EB Participants/owners in proportion to their rights. If Euroclear Bank itself is the owner of a number of securities of the same issue, it will only be entitled to the number of securities remaining after the total number of securities of the same issue which it held for third parties has been returned.

10. Recovery procedure

In order for an EB Participant to be entitled to the recovery of securities held in the Euroclear System in the case of a bankruptcy (*faillissement/faillite*) of Euroclear Bank, the EB Participant must file a claim for recovery with the clerk's office of the Brussels business court before the submission of the first report of verification of claims (*neerlegging van het eerste proces-verbaal van verificatie/dépôt du premier procès-verbal de vérification des créances*) (section XX.194 of the Belgian Code of Economic Law). The

judgment pursuant to which the bankruptcy has been declared would contain the date by which the first report of verification of claims must be submitted (generally between thirty (30) and forty-five (45) days after the bankruptcy declaration). Any claim for recovery submitted after that date would be inadmissible. The administrator of the bankruptcy would then allocate the securities of each issue between those EB Participants having filed a claim for recovery in accordance with the rules set out in this Part 5.

11. Attachments prohibited

Pursuant to Article 11 of Royal Decree No. 62, attachments (*derden-beslag/saisie-arrêt*) of Securities Clearance Accounts opened with Euroclear Bank are prohibited. The prohibition prevents Euroclear Bank, other EB Participants and third parties (such as creditors of the account holder), depositories or service providers from being able to attach (*in beslag nemen/saisir*) securities recorded in a Securities Clearance Account. Article 11 also stipulates that no attachment of securities deposited by Euroclear Bank with depositories is permissible. Further, Article 14 of Royal Decree No. 62 provides that the dividend, interest and principal amount cash payments relating to fungible securities paid to Euroclear Bank by issuers of securities held in the Euroclear System may not be attached by the creditors of Euroclear Bank.

12. Statutory liens, other rights and pledge

Pursuant to section 31, §2 of the Act of 2 August 2002 on the supervision of the financial sector and financial services ("**Act of 2 August 2002**"), Euroclear Bank has:

- (a) a statutory lien over financial instruments (including securities), cash, currencies and other rights held in the books of Euroclear Bank as an EB Participant's own (i.e. proprietary) assets, which secures any claim Euroclear Bank has against the EB Participant in connection with the settlement of securities subscriptions, transactions in securities or currency-forward transactions, including claims resulting from loans or advances; and
- (b) a statutory lien over financial instruments (including securities), cash, currencies and other rights held in the books of Euroclear Bank on behalf of the EB Participant's underlying clients, which may only be used to secure any claim Euroclear Bank has against the EB Participant in connection with the settlement of securities subscriptions, transactions in securities or currency-forward transactions, including claims resulting from loans or advances, which are carried out on behalf of the EB Participant's underlying clients.

13. Other liens and rights

In addition to the section 31 statutory lien referred to above, Belgian law provides for:

- (a) a retention right in favour of the depository (e.g. Euroclear Bank) to guarantee its claim for the full payment of any amount owed to it in connection with the deposit (section 1948 of the old Belgian Civil Code),
- (b) a statutory lien which covers any expenses made for the preservation of an asset (e.g. securities) (section 20, 4° of the Mortgage Act); and
- (c) a statutory lien in favour of the unpaid seller on the sold, unmovable assets (e.g. securities) which exists as long as the buyer is in possession of such assets section 20, 5° of the Mortgage Act).

Section 14(e) (limb (i) and (ii) of the Euroclear Terms and Conditions provides, therefore, for a contractual right of set-off and retention in favour of Euroclear Bank pursuant to which Euroclear Bank may (upon the effectiveness of any termination or resignation of an EB Participant):

- (d) set off or retain from the amounts to be returned by Euroclear Bank to the EB Participant any amounts which are due to, or which may become due to, Euroclear Bank from the EB Participant and
- (e) retain securities held in the Securities Clearance Account(s) opened in the name of the EB Participant to provide for the payment in full of any amounts which are due to, or which may become due to, Euroclear Bank from the EB Participant.

Belgian law provides that holders of interests through the Euroclear System have the right to exercise other “associative rights” directly against the Company under Article 13 of the Royal Decree No. 62. These associative rights would include, for example, the right to attend and vote at a general meeting, the right to subscribe in rights issues or the right to commence derivative claims against the directors. EB Participants would request evidence of the shareholding from Euroclear Bank in connection with the exercise of such associative rights.

14. General pledge

Pursuant to Section 3.5.2 of the EB Operating Procedures in order to secure any claim Euroclear Bank may have against an EB Participant in connection with the use of the Euroclear System (in particular any claim resulting from any extension of credit or conditional credit made in connection with the clearance or settlement of transactions or custody services), each EB Participant agrees to pledge to Euroclear Bank:

- (a) all securities and cash such EB Participant holds in the Euroclear System;
- (b) all right, title and interest in and to such securities and cash; and
- (c) all existing and future contractual claims such EB Participant may have against Euroclear Bank in connection with the use of the Euroclear System and in particular any claim to receive from Euroclear Bank securities from a local market as a result of either:
 - (i) stock exchange trade orders where such transactions are automatically fed by the local stock exchange into the local clearance system; or
 - (ii) receipt instructions that Euroclear Bank sends to the local market on such EB Participant's behalf.

Unless otherwise agreed in writing, this general pledge concerns both the EB Participant's proprietary securities as well as those securities the EB Participant holds on behalf of its clients. The EB Participant represents and warrants having obtained the necessary consent from its clients to that effect. This general pledge is without prejudice to (i) any collateral arrangements that Euroclear Bank may enter into with the EB Participant and (ii) the section 31 statutory lien referred to in section 12 above.

15. Waivers

Pursuant to Section 3.5.1(b) of the EB Operating Procedures, Euroclear Bank waives the statutory lien provided by section 31, §2 of the Act of 2 August 2002 referred to in section 12 above with respect to all securities held by the EB Participant on behalf of clients, provided such securities are credited to a Securities Clearance Account separately and specifically identified in writing by the EB Participant as an account to which only client securities are credited.

16. Securities Losses

Section 17 of the Euroclear Terms and Conditions contains a general loss-sharing rule which is without prejudice to the rules contained in section 12 of Royal Decree No. 62. The rules set out in section 17 are also without prejudice to any liability that Euroclear Bank may have to compensate EB Participants for negligence or wilful misconduct on its part.

Where all or a portion of the securities of a particular issue held in the Euroclear System is lost or otherwise becomes unavailable for delivery (such loss or unavailability being referred to as a “**Securities Loss**”), then the reduction in the amount of securities of such issue held in the Euroclear System arising therefrom will be borne by those EB Participants holding securities of such issue (i.e. with the same ISIN) in the Euroclear System at the opening of the Business Day on which Euroclear Bank makes a determination that a Securities Loss has occurred (or if such day is not a Business Day, at the opening of business on the immediately preceding Business Day).

The loss sharing is to be pro rata with the amount of securities of such issue so held by each EB Participant at the time of such determination and is effected by means of debits to the Securities Clearance Accounts on which securities of such issue are credited. This is subject to appropriate adjustment in the event that any portion of the securities of such issue held in the Euroclear System is for any reason not credited to Securities Clearance Accounts. Any reduction in the amount of securities

available for delivery which arises from a Securities Loss with respect to securities held with any depository or other CSD shall be shared at the time as of which such reduction is attributed to Euroclear Bank.

In the case of any Securities Loss with respect to any issue of securities which arises under circumstances in which any depository, any EB Participant, any other CSD, any sub-custodian, or any other person is or may be legally liable (or if any other remedy may be available for making good the Securities Loss), Euroclear Bank may take such steps to recover the securities which are the subject of such Securities Loss or damages (or to obtain the benefits of any such other remedy) as Euroclear Bank reasonably deems appropriate under all the circumstances (including without limitation the bringing and settling of legal proceedings).

Unless Euroclear Bank is liable for such Securities Loss due to its negligence or wilful misconduct, Euroclear Bank will charge those sharing the reduction in securities arising out of such Securities Loss (proportionately in accordance with the amount of such sharing) the amount of any cost or expense incurred in connection with any action taken referred to in the preceding paragraph.

Any cash amounts or securities which Euroclear Bank recovers in respect of a Securities Loss relating to a particular issue of securities or for which Euroclear Bank is liable in connection with a Securities Loss will be credited to the appropriate cash accounts or Securities Clearance Accounts of those sharing the reduction in the amount of securities of such issue arising from such Securities Loss.

PART 6

OVERVIEW OF CREST DEPOSITORY INTERESTS

1. Effect of Migration and initial creation of CDIs

The practical result of Migration taking effect will be that all Migrating Shareholders will receive one CDI for each Migrating Share held at the Migration Record Date. Migrating Shareholders may then choose whether (1) to continue to hold via CDI, or (2) to cancel their CDIs and instead to hold and exercise the Belgian Law Rights in such Migrating Shares as an EB Participant (subject to such Migrating Shareholder being or becoming an EB Participant), or appointing an EB Participant (e.g. a broker or other nominee which is an EB Participant) to hold the Migrating Shares on its behalf.

Following Migration, Migrating Shares will likely be represented by a combination of book entries within the Euroclear System and CDIs in the CREST System. It should be noted that transactions in the Shares resulting from trades on Euronext Growth Dublin will settle via the Euroclear System and transactions in the Shares resulting from trades on AIM will settle via CDIs in CREST. Transactions in the Shares resulting from trades on other trading venues which are not cleared through a CCP can settle either in the Euroclear System or in CREST as agreed by the counterparties.

With respect to CDIs, the CREST Nominee (CIN (Belgium) Limited) will be an EB Participant and will hold rights to the Company's shares held within Euroclear Bank on behalf of the CREST Depository for the account of CDI holding CREST members.

2. Form of CDIs

Following Migration, holders of CDIs will not be the registered holders of Shares to which they are entitled. Rather, immediately following Migration, their interests in the Migrating Shares will be held through an intermediated chain of holdings, whereby Euroclear Nominees will hold the legal interest in the Shares transferred to it in trust for Euroclear Bank and will be the registered holder of such Shares entered on the Register of Members. Euroclear Bank will credit its interest in such Shares to the account of the CREST Nominee, CIN (Belgium) Limited and the CREST Nominee will hold its interest in such Shares (i.e. the Belgian Law Rights) as nominee and for the benefit of the CREST Depository. The CREST Depository will, in turn, hold its interest in such shares on trust and for the benefit of the holders of the CDIs.

The terms and conditions upon which CDIs are issued and held in CREST are set out in the CREST Deed Poll and the CREST International Manual.

An international custody fee and a transaction fee, as determined by EUI from time to time, is charged at user level for the use of CDIs and/or transactions.

The rights of prospective holders of CDIs in relation to EUI and its subsidiaries in respect of CDIs held through CREST are set out in the CREST Deed Poll.

3. Rights attaching to CDIs

The holders of CDIs will have an indirect entitlement to shares but will not be the registered holders thereof. Accordingly, the holders of CDIs will be able to enforce and exercise the rights relating to the shares through and in accordance with the arrangements described below. As a result of certain aspects of Irish law which govern the Shares, the holders of CDIs will not be able directly to enforce or exercise certain rights, including voting and pre-emption rights but, instead, will be entitled to enforce them indirectly via Euroclear Nominees Limited as further explained below. Holders of CDIs will, at their option, be able to effect the cancellation of their CDIs in CREST and receive a transfer of the underlying shares to which they are entitled in the manner set out in paragraph 5 of Part 4 by appointing an agent or custodian which is an EB Participant to receive the relevant Belgian Law Rights and arranging for that agent or custodian to take the necessary steps to effect the transfer of the relevant shares from the Nominee. Such holders may also choose to receive the benefit of the Belgian Law Rights either directly (if they are an EB Participant) or via a shareholding account with a depository financial institution which is an EB Participant.

The CDIs will be created and issued pursuant to the terms of the CREST Deed Poll and as described in the CREST International Manual.

The CDIs will have the same security code (ISIN) as the underlying Shares and will not be separately listed or separately traded on Euronext Growth Dublin or AIM.

CDIs are capable of being credited to the same member account as all other CREST securities of any particular investor. This means that, from a practical point of view, CDIs representing Shares will be held and transferred in the same way as Participating Securities are held and transferred in CREST today.

Holders of CDIs will only be able to exercise their rights attached to CDIs by instructing the CREST Depository to exercise these rights on their behalf, and, therefore, the process for exercising rights (including the right to vote at general meetings and the right to subscribe for new shares on a pre-emptive basis) will take longer for holders of CDIs than for holders of Shares or Belgian Law Rights. Consequently, it is expected that the CREST Depository shall set a deadline for receiving instructions from all CDI holders regarding any corporate event. The holders of CDIs may be granted shorter periods in which to exercise the rights carried by the CDIs than the Shareholders have in which to exercise rights carried by Shares or EB Participants have in which to exercise rights carried by Belgian Law Rights. The CREST Depository will not exercise voting rights in respect of CDIs for which it has not received voting instructions within the established term.

EUI has an SRD II like solution in place in respect of Irish Securities held as CDIs in the CREST System (which will include CDIs arising consequent to Migration). The manner (where the holder does not hold Shares through a custodian/nominee) and time period within which any such voting rights may be exercised by CDI holders will differ from arrangements which would currently apply in respect of direct holdings in the CREST System. Voting confirmations may not be provided by Euroclear Bank to EB Participants or underlying CDI holders.

(a) ***Voting Rights***

EUI has arranged for voting instructions relating to shares to be received via the Broadridge Proxy Voting Service, a third party service provider. Any CREST member who has a holding in the CDI up to the Broadridge voting deadline will be notified through the Broadridge Proxy Voting Service upon Broadridge's receipt of such notification from Euroclear Bank.

The notification will be made available to all CREST members (those either having or receiving a position in that CDI) within 48 hours of receipt by Broadridge of complete information.

The relevant record date is determined by the issuer and is a market-wide applicable date.

CREST members can complete and submit proxy appointments (including voting instructions) electronically through the Broadridge Proxy Voting Service. The same voting options as in Euroclear Bank will be available (i.e. electronic votes by means of chairman proxy appointments or appointing a third party proxy).

The voting service will process and deliver proxy voting instructions received from CREST members on the Broadridge vote deadline date to Euroclear Bank, by their cut-off and to agreed market requirements. Voting instructions cannot be changed or cancelled after Broadridge's voting deadline.

There is no facility to appoint a corporate representative.

Holders of CDIs wishing to use the voting rights attached to the Shares represented by their CDIs personally in their capacity as a shareholder (and not as proxy), by attending a shareholders' meeting of the Company, will first have to effect the cancellation of their CDIs by receiving the relevant Belgian Law Rights (via an EB Participant if they are not an EB Participant) and then effecting a transfer of their underlying Shares so that such Shares are held by such holder as described above in time for the record date of the relevant shareholders' meeting. On so doing, they will, subject to and in accordance with the Company's Articles of Association, be able to attend and vote in person or appoint a corporate representative at the relevant shareholders' meeting.

(b) **Dividends**

The entitlement of CREST members holding CDIs to a dividend will be based on their holdings in the CREST System on the relevant record date. Upon receipt of funds and successful reconciliation by CREST, CREST members will be credited an amount based on their record date holdings.

Holders of CDIs held in the CREST System, whilst Euroclear Bank continues to provide such service, will be able, if they wish, to have amounts in respect of dividends paid on Shares in euro by the Company converted into, and paid to them in, Sterling, or any other CREST currency, if desired by the CREST Depository.

EUI's current arrangements for euro settlement with the ECB are scheduled to expire on 29 March 2021. Accordingly, under arrangements as they stand at the Latest Practicable Date, CDI holders will not be able to elect to receive a dividend in euro through the CREST system. EUI has indicated that it is investigating alternative arrangements with the aim that euros can continue as a settlement currency in the CREST System. However there is no guarantee that this will be successful, and no clarity on timing as at the Latest Practicable Date.

(c) **Other Corporate Actions**

EUI notifies CREST members of an event as soon as possible after receipt of complete notification of the corporate action from Euroclear Bank (normally shortly after the announcement by the issuer).

The notification will inform the CREST member of the relevant deadlines (EUI deadline, record date, election date etc.) as well as the actions the CREST member needs to undertake (i.e. is it a mandatory event, elective event, is there a default action or not).

Upon receipt by CREST of the corporate action instructions from the CDI holders by the CREST deadline, CREST will send the instructions to Euroclear Bank who in turn will include these instructions in the aggregated instructions Euroclear Bank sends to the issuer/agents.

The issuer/agents in turn credit the relevant proceeds to Euroclear Bank and upon receipt of the proceeds, Euroclear Bank credits the entitled EB Participants (including CREST as an EB Participant of Euroclear Bank) with their respective entitlement.

The deadline for elections would be earlier than the Euroclear Bank deadline, as CREST needs to ensure it sends its instructions to Euroclear Bank within the Euroclear Bank deadline.

Upon receipt of the relevant proceeds, CREST will credit the CREST members with their entitlement based on either their elections or the holdings they had on record date.

CREST members' remedies are set out in the English law contract entered into with EUI.

Given that Euroclear Bank will not credit fractions of securities proceeds, CREST members will not be credited with fractional entitlements.

4. Cancellation of CDIs for underlying Belgian Law Rights or for underlying Shares

Holders of CDIs will, at their option, be able to effect the cancellation of their CDIs in the CREST System and receive the Belgian Law Rights to which they are entitled into a shareholding account with a depository financial institution which is an EB Participant in the Euroclear System and to be registered as holder of the underlying Shares by arranging for that EB Participant in the Euroclear System to take the necessary steps to effect the transfer of the relevant shares from the Nominee. It is envisaged that receipt of Belgian Law Rights on cancellation of CDIs can be accomplished within the same business day, that entry on the register as holder of the underlying Shares can be accomplished within one business day and that receipt of the relevant share certificate may take up to ten (10) business days; however, entry on the Register of Members is prima facie evidence of a shareholding under Irish law. Certain transfer fees will generally be payable by a holder of CDIs who makes such a transfer.

PART 7

TAX INFORMATION IN RESPECT OF MIGRATION

1. Irish Tax Considerations

Scope of Summary

The following is a general summary of the material Irish tax considerations applicable to Shareholders who are the beneficial owners of Migrating Shares. and references to Shareholders in this summary should be read accordingly. The summary contained in this Part 7 is based on existing Irish tax law, our understanding of the practices of the Irish Revenue Commissioners as of the date of this Circular as of the Latest Practicable Date. Legislative, administrative or judicial changes may modify the tax consequences described in this Part 7, possibly with retroactive effect. Furthermore, we can provide no assurances that the tax consequences contained in this summary will not be challenged by the Irish Revenue Commissioners or will be sustained by an Irish court if they were to be challenged. The relevant provisions of the Finance Act 2020 have been enacted but are subject to ministerial orders which are expected to issue prior to Migration.

The following summary below does not constitute tax advice and is intended only as a general guide. The following summary is not exhaustive, and Shareholders should consult their own tax advisers about the Irish tax consequences (and the tax consequences under the laws of other relevant jurisdictions), which may arise as a result of being Migrating Shareholders and the acquisition, ownership and disposition of Shares in the future. Furthermore, the following summary applies only to Shareholders who currently hold their Shares as capital assets and does not apply to all categories of Shareholders, such as dealers in securities, trustees, insurance companies, collective investment schemes, pension funds or Shareholders who have, or who are deemed to have, acquired their Shares by virtue of an office or employment. The Finance Act includes a number of proposed amendments to the Irish tax legislation that seek to ensure that the migration of securities in Irish registered companies from the CREST System to the Euroclear System is tax neutral and maintain the status quo post-migration. The Finance Act was signed into law in December 2020 but a number of relevant provisions contained therein are subject to ministerial orders which have not yet issued. The Irish Revenue have proposed addressing some matters by way of published practice, but this has not been published yet. It is possible that the law or practice of the Irish Revenue could change, either prospectively or retroactively, and such change could increase, reduce or mitigate possible tax consequences for Shareholders. Also, the assumed practices may not be issued by the Irish Revenue. The position under current Irish law is uncertain and the Company makes no assurances on the tax position for Shareholders.

The following summary is drafted on the basis that the relevant amendments in the Finance Act 2020 are commenced by way of ministerial order prior to any action or transaction being undertaken in relation to Migration.

- ***Irish Capital Gains Tax***

Shareholders should not be liable to Irish capital gains tax (CGT) as a result of Migration on the basis that Migration should not be treated as giving rise to a disposal of Shares for CGT purposes.

Shareholders who are not resident or ordinarily resident in Ireland for Irish tax purposes should not be liable to CGT to the extent a gain is realised on a disposal of Shares (including CDIs and ADRs) (or an interest in Shares) unless such Shares (or interest in Shares) are used, held or acquired for the purpose of a trade or business carried on by such Shareholder in Ireland through a branch or an agency.

Following Migration, a disposal by an Irish resident or ordinarily resident Shareholder of its Shares may, depending on the circumstances (including the availability of exemptions and reliefs), give rise to a chargeable gain or allowable loss for that Shareholder. The rate of CGT is currently 33%.

- ***Irish Dividend Withholding Tax***

Irish dividend withholding tax (DWT) should not arise as a result of Migration.

Following Migration, unless exempted, a withholding at the standard rate of income tax (currently 25%) will apply to dividends or other relevant distributions paid by the Company. The withholding tax requirement will not apply to distributions paid to certain categories of Irish resident Shareholders or to distributions paid to certain categories of non-Irish resident Shareholders.

The following Irish resident Shareholders, inter-alia, are exempt from withholding if they make to the Company, in advance of payment of any relevant distribution, an appropriate declaration of entitlement to exemption:

- Irish resident companies;
- pension schemes approved by the Irish Revenue;
- qualifying fund managers or qualifying savings managers in relation to approved retirement funds (ARFs) or approved minimum retirement funds (AMRFs);
- Personal Retirement Savings Account (PRSA) administrators who receive the relevant distribution as income arising in respect of PRSA assets;
- qualifying employee share ownership trusts;
- collective investment undertakings;
- tax-exempt charities;
- designated brokers receiving the distribution for special portfolio investment accounts;
- any person who is entitled to exemption from income tax under Schedule F on dividends in respect of an investment in whole or in part of payments received in respect of a civil action or from the Personal Injuries Assessment Board for damages in respect of mental or physical infirmity;
- certain qualifying trusts established for the benefit of an incapacitated individual and/or persons in receipt of income from such a qualifying trust;
- any person entitled to exemption to income tax under Schedule F by virtue of section 192(2) of the Taxes Consolidation Act (TCA) 1997;
- unit trusts to which section 731(5)(a) of the TCA 1997 applies; and
- certain Irish Revenue-approved amateur and athletic sport bodies.

The following non-resident stockholders are exempt from withholding if they make to the Company, in advance of payment of any dividend, an appropriate declaration of entitlement to exemption:

- persons (other than a company) who (i) are neither resident nor ordinarily resident in Ireland and (ii) are resident for tax purposes in (a) a country which has signed a Double Taxation Agreement with Ireland (a tax treaty country) or (b) an EU member state other than Ireland;
- companies not resident in Ireland which are resident in an EU member state or a tax treaty country, by virtue of the law of an EU member state or a tax treaty country and are not controlled, directly or indirectly, by an Irish resident or Irish residents;
- companies not resident in Ireland which are directly or indirectly controlled by a person or persons who are, by virtue of the law of a tax treaty country or an EU member state, resident for tax purposes in a tax treaty country or an EU member state other than Ireland and which are not controlled directly or indirectly by persons who are not resident for tax purposes in a tax treaty country or EU member state;

- companies not resident in Ireland, the principal class of shares of which is substantially and regularly traded on a recognised stock exchange in a tax treaty country or an EU member state including Ireland or on an approved stock exchange; or
- companies not resident in Ireland that are 75% subsidiaries of a single company or are wholly- owned by two (2) or more companies, in either case the principal classes of shares of which is or are substantially and regularly traded on a recognised stock exchange in a tax treaty country or an EU member state including Ireland or on an approved stock exchange.

In the case of an individual non-Irish resident Shareholder resident in an EU member state or tax treaty country, the declaration must be accompanied by a current certificate of tax residence from the tax authorities in the Shareholder's country of residence. In the case of both an individual and corporate non- Irish resident Shareholder resident in an EU member state or tax treaty country, the declaration must also contain an undertaking that he, she or it will advise the Company accordingly if he, she or it ceases to meet the conditions to be entitled to the DWT exemption. No declaration is required if the Shareholder is a 5% parent company in another EU member state in accordance with section 831 TCA 1997. Neither is a declaration required on the payment by a company resident in Ireland to another company so resident if the Company making the dividend is a 51% subsidiary of that other company.

The DWT position in respect of dividends or distributions in respect of Shares represented by ADRs should not change as a result of Migration.

- ***Income Tax on Dividends Paid***

Irish income tax may arise for certain Shareholders in respect of any dividends received from the Company.

Non-Irish Resident Shareholders

Except in certain circumstances, a person who is neither resident nor ordinarily resident in Ireland and is entitled to receive dividends without deductions is not liable for Irish tax on the dividends. Where a person who is neither resident nor ordinarily resident in Ireland is subject to withholding tax on the dividend received due to not benefiting from any exemption from such withholding, the amount of that withholding will generally satisfy such person's liability for Irish tax. However individual Shareholders should confirm this with their own tax adviser.

Irish Resident Shareholders

Companies resident in Ireland other than those taxable on receipt of dividends as trading income are exempt from corporation tax on distributions received on the Shares. Shareholders that are close companies for Irish taxation purposes may, however, be subject to a 20% corporation tax surcharge on undistributed investment income, which would include such dividends.

Individual Shareholders who are resident or ordinarily resident in Ireland are subject to income tax on the gross dividend at their marginal tax rate but are entitled to a credit for the tax withheld by the Company. The dividend will also be subject to the universal social charge. In certain circumstances relief may be available under the terms of a Double Taxation Agreement. An individual Shareholder who is not liable or not fully liable for income tax by reason of exemption or otherwise may be entitled to receive an appropriate refund of tax withheld. A charge to Irish social security taxes can also arise for such individuals on the amount of any dividend received from the Company.

- ***Capital Acquisitions Tax***

Irish capital acquisitions tax (CAT) should not arise simply by virtue of Migration. Following Migration, a gift or inheritance of Shares (including CDIs and ADRs) (or an interest in Shares) will be within the charge to CAT notwithstanding that the donor or the donee/successor in relation to such gift or inheritance might be domiciled and resident outside Ireland, as the shares are Irish situate assets. CAT is charged at a rate of 33% above a tax- free threshold. This tax-free threshold is determined by the amount of the current benefit and of previous benefits taken since December 5, 1991, as relevant, within the charge to CAT and the relationship between the donor

and the donee/successor. Gifts and inheritances between spouses (and in certain cases former spouses) are not subject to CAT.

In a case where an inheritance or gift of Shares is subject to both Irish CAT and foreign tax of a similar character, the foreign tax paid may in certain circumstances be credited in whole or in part against the Irish tax. Shareholders should consult their own tax advisers as to whether CAT is creditable or deductible in computing any domestic tax liabilities.

- ***Irish Stamp Duty***

Where there is no transfer of beneficial ownership of Shares no stamp duty should arise in connection with Migration.

Following Migration, transfers of equitable or beneficial interests in Shares (or an interest in Shares), including transfers of CDIs within the CREST System and transfers of an interest in Shares, or such CDIs effected by a transfer order relating to a single netted settlement of two or more contracts for the transfer of interests in Shares, will be subject to stamp duty at a rate of 1% of the consideration or the market value of the Shares, if greater. The person accountable for payment of stamp duty is the transferee or, in the case of a transfer by way of a gift or for a consideration less than the market value, all parties to the transfer. The Finance Act 2020, however, provides that the existing exemption from Stamp Duty on the transfer, or agreement to transfer ADRs will continue to apply post-migration.

THE IRISH TAX CONSIDERATIONS SUMMARISED ABOVE ARE FOR GENERAL INFORMATION ONLY. EACH SHAREHOLDER SHOULD CONSULT HIS OR HER OWN TAX ADVISER AS TO THE PARTICULAR TAX CONSEQUENCES THAT MAY APPLY TO SUCH SHAREHOLDER.

2. UK Tax Considerations

Scope of Summary

The following is a general summary of the material UK tax considerations applicable to Shareholders who are resident (and, in the case of individuals, domiciled) in the UK for UK tax purposes and who are the beneficial owners of Migrating Shares and who have neither lent nor borrowed their Shares (UK Shareholders). The summary contained in this Section 2 of Part 7 is based on the Company's understanding of existing UK tax law and of the published practice of Her Majesty's Revenue and Customs (HMRC) as of the Latest Practicable Date. Legislative, administrative or judicial changes may modify the tax consequences described in this Section 2 of Part 7, possibly with retroactive effect. Furthermore, the Company can provide no assurances that the tax consequences contained in this summary will not be challenged by HMRC or will be sustained by a UK court if they were to be challenged.

The following summary does not constitute tax advice and is intended only as a general guide. It relates only to certain limited aspects of the UK taxation treatment of UK Shareholders. It may not apply to certain UK Shareholders, such as traders, broker-dealers, dealers in securities, intermediaries, insurance companies and collective investment schemes, Shareholders who have (or are deemed to have) acquired their Migrating Shares by virtue of an office or employment or who are officers or employees or individual Shareholders who own 10% or more of the issued Share capital of the Company (including in certain circumstances, shares comprised in a settlement of which the Shareholder is a settlor and Shares held by a connected person as well as Shares transferred by a Shareholder pursuant to a repurchase or stock lending arrangement). Such persons may be subject to special rules. The following statements may not apply where the Company offers scrip dividends in lieu of cash. Shareholders should consult their own tax advisers about the UK tax consequences (and the tax consequences under the laws of other relevant jurisdictions), which may arise as a result of being Migrating Shareholders and the acquisition, ownership and disposition of Shares in the future.

- ***Migration***

UK Shareholders are not expected to be liable to UK capital gains tax or corporation tax on chargeable gains as a result of Migration, either on the basis that Migration does not give rise (or should not be treated as giving rise) to a disposal of Shares, or on the basis that under the securities identification rules any disposal should be treated as being of the interest in Shares

acquired in Migration (whether held as a CDI or as Belgian Law Rights by an EB Participant or through a broker or other nominee which is an EB Participant) and therefore at no gain and no loss. There is therefore expected to be no effect on the base cost available to be taken into account by UK Shareholders in computing the gain on any subsequent disposals.

No UK stamp duty or stamp duty reserve tax (SDRT) is expected to be required to be paid in respect of Migration.

- ***Cancellation of CDIs for underlying Belgian Law Rights or for underlying Shares***

Following Migration, if a UK Shareholder holding CDIs effects the cancellation of those CDIs in the CREST System and receives the underlying Shares (held as Belgian Law Rights as described in Section 4 of Part 6 of this Circular): (i) the UK Shareholder is not expected to be liable to UK capital gains tax or corporation tax on chargeable gains as a result of the cancellation; (ii) the base cost in the Shares is expected to be the same as the base cost in the CDIs; and (iii) no UK stamp duty or SDRT is expected to be required to be paid as a result of the cancellation. HMRC considers that there will have been a disposal of the CDIs for the purposes of UK capital gains tax or corporation tax on chargeable gains and that the usual computational rules will apply; but as it is not expected that any consideration (beyond the receipt of the Shares themselves) would be received by a UK Shareholder for the disposal of the CDIs, no chargeable gains should arise. If a UK Shareholder holding Belgian Law Rights in respect of Shares subsequently takes steps (whether immediately after the cancellation of that UK Shareholder's CDIs or at a later time) to become registered directly as the holder of the Shares (again as described in Section 4 of Part 6 of this Circular) those steps are not expected to give rise to any further UK tax consequences for a UK Shareholder.

- ***Dividends***

Following Migration, a beneficial owner of CDIs in respect of Shares is expected to be treated for UK tax purposes as the beneficial owner of the corresponding number of Shares held through the Euroclear System for the benefit of the CREST Depository. On that basis, if a UK Shareholder receives a dividend on his or her Shares (including Shares represented by CDIs) and Irish tax is withheld from the payment of the dividend (see Irish tax considerations in Section 1 above for comments on the withholding tax position), credit for the Irish tax may be available for set-off against any liability to UK corporation tax or UK income tax on the dividend. The amount of the credit will normally be equal to the lesser of: (i) the amount withheld once appropriate double tax treaty claims have been made by the UK Shareholder to mitigate Irish withholding tax suffered; and (ii) the liability to UK tax on the dividend. The credit will not normally be available for set-off against a UK Shareholder's liability to UK tax other than on the dividend and, to the extent that the credit is not set off against UK tax on the dividend, the credit will be lost.

- ***Individuals***

UK Shareholders who are within the charge to UK income tax will pay no tax on their cumulative dividend income in a tax year up to an annual dividend allowance (£2,000, for the 2020/21 tax year). The rates of income tax on dividends received above the annual dividend allowance are currently (i) 7.5% for basic rate taxpayers; (ii) 32.5% for higher rate taxpayers; and (iii) 38.1% for additional rate taxpayers. Dividend income that is within the dividend allowance counts towards an individual's basic or higher rate limits and will therefore affect the rate of tax that is due on any dividend income in excess of the annual dividend allowance. In calculating into which tax band any dividend income over the £2,000 allowance falls, savings and dividend income are treated as the highest part of an individual's income. Where an individual has both savings and dividend income, the dividend income is treated as the top slice.

- ***Corporate Shareholders***

UK Shareholders who are within the charge to UK corporation tax will be subject to UK corporation tax on any dividends on the Shares unless certain conditions for exemption are satisfied. The exemption is of wide application and such UK Shareholders will therefore ordinarily not be subject to UK corporation tax on the dividends received on the Shares.

- ***Taxation of chargeable gains***

A disposal or deemed disposal of Shares (including the CDIs and Shares represented by them) by a UK Shareholder may, depending on the UK Shareholder's particular circumstances and subject to any available exemption or relief, give rise to a chargeable gain or allowable loss for the purposes of capital gains tax or corporation tax on chargeable gains. Individuals who are temporarily non-resident in the UK may, in certain circumstances, be subject to capital gains tax in respect of gains realised on a disposal of Shares during their period of non-residence.

- ***UK Stamp Duty and SDRT***

No UK stamp duty will be payable in respect of a paperless transfer of Shares for which no written instrument of transfer is used.

No UK stamp duty will be payable on a written instrument of transfer of Shares if that transfer instrument is executed and retained outside the UK and does not relate to any property situated in the UK or to any other matter or thing done or to be done in the UK (which may include, without limitation, the involvement of UK bank accounts in payment mechanics) or if the exemption from stamp duty applicable to shares admitted to trading on AIM referred to below applies.

No UK SDRT will arise in respect of an agreement to transfer Shares, provided that the Shares are not at any time registered in a register that is kept in the UK by or on behalf of the Company or if the exemption from SDRT applicable to shares admitted to trading on AIM referred to below applies.

No UK stamp duty will arise on transfers of CDIs within the CREST System, on the assumption that no written instrument of transfer is used to effect such a transfer.

An exemption from UK stamp duty and SDRT will be available in respect of transfers of, and agreements to transfer, Shares and CDIs representing Shares provided that the Shares are and remain admitted to trading on AIM and are not listed on any market for UK tax purposes. Shares admitted to trading on Euronext Growth Dublin are not regarded as listed on a market for this purpose.

THE UK TAX CONSIDERATIONS SUMMARISED ABOVE ARE FOR GENERAL INFORMATION ONLY. EACH SHAREHOLDER SHOULD CONSULT THEIR OWN TAX ADVISER AS TO THE PARTICULAR TAX CONSEQUENCES THAT MAY APPLY TO SUCH SHAREHOLDER.

3. Belgian Tax Considerations

Scope of Summary

The following is a general summary of the material Belgian tax considerations applicable to Shareholders who are the beneficial owners of Migrating Shares, who have neither lent nor borrowed their Shares and who are (i) **Belgian resident** individuals or companies (Belgian Resident Shareholders) or (ii) **Belgian non-resident** individuals or companies (Belgian Non-Resident Shareholders). It has been assumed that Belgian Non-Resident Shareholders are Shareholders that have no connection with Belgium other than the mere fact that their Shares (including Shares represented by CDIs) are held through the Euroclear System. The summary is based on our understanding of existing Belgian tax laws, treaties and regulatory interpretations by the Belgian Tax Authorities in effect in Belgium as of the Latest Practicable Date. Legislative, administrative or judicial changes may modify the tax consequences described in the paragraphs below, possibly with retroactive effect. Furthermore, we can provide no assurances that the tax consequences contained in this summary will not be challenged by the Belgian Tax Authorities or will be sustained by a Belgian court if they were to be so challenged, unless a specific tax ruling were to be obtained beforehand from the Belgian Ruling Commission.

The below summary does not constitute tax advice and is intended only as a general guide. The following summary is not exhaustive and does not purport to address all tax consequences of the ownership and disposal of Shares, nor does it take into account (i) the specific circumstances of particular Shareholders, some of which may be subject to special rules, or (ii) the tax laws of any country other than Belgium. This summary does not describe the tax treatment of Shareholders that

may be subject to special rules, such as banks, insurance companies, pension funds, trustees, collective investment undertakings, dealers in securities or currencies, persons that hold, or will hold, Migrating Shares as a position in a straddle, share-repurchase transaction, conversion transaction, synthetic security or other integrated financial transactions. This summary does not address the local taxes applicable to Belgian resident individuals.

For purposes of this summary, a Belgian resident individual is an individual subject to Belgian personal income tax (i.e. an individual domiciled in Belgium or having his seat of fortune in Belgium or a person assimilated to a resident for purposes of Belgian tax law). A Belgian resident company is a company subject to the ordinary Belgian corporate income tax (i.e. a corporate entity that has its main establishment, its administrative seat or seat of management in Belgium and that is not excluded from the scope of the Belgian corporate income tax). The fact that a company has its statutory seat in Belgium leads to a rebuttable presumption that its main establishment, its administrative seat or seat of management is located in Belgium. A Belgian non-resident is an individual or company that is not a Belgian resident. As mentioned above, it has been assumed that Belgian Non-Resident Shareholders are Shareholders that have no connection with Belgium other than the mere fact that their Shares (including Shares represented by CDIs) are held through the Euroclear System.

Shareholders should consult their own tax advisers about the Belgian tax consequences which may arise as a result of being Migrating Shareholders and the acquisition, ownership and disposal of Migrating Shares in the future (including the effect of any regional or local laws).

- ***Migration***

Belgian Resident and Non-Resident Shareholders are not expected to be subject to Belgian income tax on capital gains as a consequence of Migration on the basis that Migration should normally not give rise (or should not be treated as giving rise) to a definitive disposal of the Shares.

- ***Dividends***

Following Migration, a beneficial owner of CDIs in respect of Shares may normally be expected to be treated for Belgian tax purposes as the beneficial owner of the corresponding number of Shares held through the Euroclear System for the benefit of the CREST Depository.

For Belgian income tax purposes, the gross amount of all benefits paid on or attributed to Shares (including Shares represented by CDIs) is expected to be treated as a dividend distribution. By way of exception, the repayment of capital may not be treated as a dividend distribution to the extent that such repayment is imputed to the fiscal capital. Note that any reduction of fiscal capital is deemed to be paid out on a pro rata basis of the fiscal capital and certain reserves. The part of the capital reduction deemed to be paid out of the fiscal capital may, subject to certain conditions, for Belgian income tax purposes, be considered as a reimbursement of capital and not be considered as a dividend distribution.

Non-Belgian dividend withholding tax, if any, will neither be creditable against any Belgian income tax due nor reimbursable to the extent that it exceeds Belgian income tax due.

Belgian Resident Shareholders

Individuals

Dividends distributed to Belgian Resident Shareholders holding the Shares (including Shares represented by CDIs) in the framework of the normal management of their private estate, are in principle expected to be subject to Belgian withholding tax of 30% if an intermediary established in Belgium was in any way involved in the processing of the payment of the dividends. The Belgian withholding tax of 30% fully discharges their personal income tax liability.

The intermediary established in Belgium, as referred to in the above paragraph, will not qualify as the debtor of the Belgian withholding tax and hence should not withhold the Belgian withholding tax if (a) it is proven to him that another intermediary has withheld the withholding tax, (b) he can demonstrate that the dividends have been paid to an in Belgium established credit institution, stock market company or recognised clearing or settlement institution which has explicitly, unequivocally and verifiably accepted to comply with the obligations as intermediary in respect of withholding tax, or (c) the intermediary

qualifies as an in Belgium established credit institution, stock market company or recognised clearing or settlement institution which has paid the dividends to (i) credit institutions established abroad, (ii) financial intermediaries, established abroad, as defined in Article 2, 9° of the Act of 2 August 2002, (iii) clearing institutions and settlement institutions, established abroad, as defined in Article 2, 16° and 17°, respectively, of the Act of 2 August 2002, and (iv) undertakings, established abroad, whose principal activity is the management of assets, the provision of advice in connection with the management of assets or the custody and management of financial instruments as well as undertakings, established abroad, which are authorised to carry on one of those activities under the law to which they are subject to (together (i) to (iv), the **Specific Foreign Intermediaries**).

Belgian individuals may nevertheless opt to report the dividends in their personal income tax return or may even need to report them if (i) an intermediary established in Belgium was involved in the processing of the payment of the dividends, but such intermediary did not withhold the Belgian dividend withholding tax due, or (ii) no intermediary established in Belgium was in any way involved in the processing of the payment of the non-Belgian sourced dividends.

Belgian resident individuals who report the dividends in their personal income tax return will normally be taxable at the lower of the generally applicable 30% Belgian withholding tax rate on dividends or at the progressive personal income tax rates applicable to their overall declared income. In addition, if the dividends are reported, the Belgian dividend withholding tax may be credited against the personal income tax due and is reimbursable to the extent that it exceeds the personal income tax due provided that the dividend distribution does not result in a reduction in value of or a capital loss on the Shares (including Shares represented by CDIs) of the Company. The latter condition is not applicable if the individual can demonstrate that he/she has held the Shares (including Shares represented by CDIs) in full legal ownership for an uninterrupted period of twelve (12) months prior to the payment or attribution of the dividends. An exemption from personal income tax could in principle be claimed by Belgian resident individuals in their personal income tax return for a first tranche of dividend income up to the amount of EUR 812 (as of income year 2020), subject to certain formalities. All reported dividends are taken into account to assess whether said maximum amount is reached.

For Belgian Resident Shareholders holding Shares (including Shares represented by CDIs) for professional purposes, the Belgian withholding tax will not fully discharge their Belgian income tax liability. Dividends received should be reported by the Shareholder and will, in such a case, be taxable as professional income at the Shareholder's personal income tax rate increased with local surcharges. Belgian withholding tax levied could then be credited against the personal income tax due and would be reimbursable to the extent that it exceeds the income tax due, subject to two conditions: (i) the taxpayer must own the Shares (including Shares represented by CDIs) in full legal ownership on the day the beneficiary of the dividend is identified and (ii) the dividend distribution may not result in a reduction in value of or a capital loss on Shares (including Shares represented by CDIs). The latter condition is not applicable if the Shareholder can demonstrate that he has held the full legal ownership of Shares (including Shares represented by CDIs) for an uninterrupted period of twelve (12) months immediately prior to the payment or attribution of the dividends.

Companies

Dividends distributed by the Company to Belgian Resident Shareholders are in principle expected to be subject to Belgian withholding tax of 30% if an intermediary established in Belgium was in any way involved in the processing of the payment of the dividends.

The intermediary established in Belgium, as referred to in the above paragraph, will not qualify as the debtor of the Belgian withholding tax and hence should not withhold the Belgian withholding tax if (a) it is proven to him that another intermediary has withheld the withholding tax, or (b) he can demonstrate that the dividends have been paid to an in Belgium established credit institution, stock market company or recognised clearing or settlement institution which has explicitly, unequivocally and verifiably accepted to comply with the obligations as intermediary in respect of withholding tax; or (c) the intermediary qualifies as an in Belgium established credit institution, stock market company or recognised clearing or settlement institution which has paid the dividends to Specific Foreign Intermediaries.

For Belgian Resident Shareholders, the dividend income (after deduction of any non-Belgian withholding tax but including any Belgian withholding tax) must be declared in the corporate income tax return and will be subject to the standard corporate income tax rate of 25% (for financial years starting on or after 1 January 2020). Subject to certain conditions, a reduced corporate income tax rate of 20% applies for financial years starting on or after 1 January 2020 (for so-called small and medium sized enterprises) on the first EUR 100,000 of taxable profits. Belgian resident companies may under certain conditions deduct 100% of the gross dividend received from their taxable income (**Dividend Received Deduction**). Such Shareholders should consult their own tax adviser in this respect.

Belgian dividend withholding tax levied at source could be credited against the Belgian corporate income tax due and would be reimbursable to the extent it exceeds such corporate income tax, subject to two conditions: (i) the taxpayer must own the Shares (including Shares represented by CDIs) in full legal ownership on the day the beneficiary of the dividend is identified and (ii) the dividend distribution does not result in a reduction in value of or a capital loss on the Shares (including Shares represented by CDIs). The latter condition is expected not to be applicable: (i) if the taxpayer can demonstrate that it has held the Shares (including Shares represented by CDIs) in full legal ownership for an uninterrupted period of twelve (12) months immediately prior to the payment or attribution of the dividends or (ii) if, during that period, the Shares (including Shares represented by CDIs) never belonged in full legal ownership to a taxpayer other than a Belgian resident company or a non-resident company that has, in an uninterrupted manner, invested the Shares (including Shares represented by CDIs) in a Belgian permanent establishment.

Dividends received by Belgian Resident Shareholders on the Shares (including Shares represented by CDIs) are exempt from Belgian withholding tax provided that the investor satisfies the identification requirements in Article 117, §11 of the Royal Decree implementing the Belgian Income Tax Code 1992.

Belgian Non-Resident Shareholders

Dividends distributed by the Company to Belgian Non-Resident Shareholders are in principle expected to be subject to Belgian withholding tax of 30% if an intermediary established in Belgium was in any way involved in the processing of the payment of the dividends.

The intermediary established in Belgium, as referred to in the above paragraph, will not qualify as the debtor of the Belgian withholding tax and hence should not withhold the Belgian withholding tax if (a) it is proven to him that another intermediary has withheld the withholding tax; (b) he can demonstrate that the dividends have been paid to an in Belgium established credit institution, stock market company or recognised clearing or settlement institution which has explicitly, unequivocally and verifiably accepted to comply with the obligations as intermediary in respect of withholding tax; or (c) the intermediary qualifies as an in Belgium established credit institution, stock market company or recognised clearing or settlement institution which has paid the dividends to Specific Foreign Intermediaries.

Dividends paid by the Company through a Belgian credit institution, stock market company or recognised clearing or settlement institution to Belgian Non-Resident Shareholders should be exempt from Belgian dividend withholding tax with respect to dividends of which the debtor (i.e. the Company) is subject to the Belgian non-resident income tax and has not allocated said income to his Belgian establishment provided that the Belgian Non-Resident Shareholders deliver an affidavit confirming that (i) they are non-residents in the meaning of Article 227 of the Belgian Income Tax Code, (ii) they have not allocated the Shares (including Shares represented by CDIs) to business activities in Belgium, and (iii) they are the full owners or usufructors of the Shares (including Shares represented by CDIs).

No Belgian dividend withholding tax should be due with respect to dividends, as referred to in the above paragraph, paid by an in Belgium established credit institution, stock market company or recognised clearing or settlement institution to intermediaries other than Specific Foreign Intermediaries provided that such other intermediaries deliver an affidavit confirming that the beneficiaries of the dividends (i) are non-residents in the sense of Article 227 of the Belgian Income Tax Code, (ii) have not allocated the Shares (including Shares represented by CDIs) to business activities in Belgium, and (iii) are the full owners or usufructors of the Shares (including Shares represented by CDIs).

If Shares (including Shares represented by CDIs) are acquired and held by a Belgian Non-Resident Shareholder in connection with a business in Belgium, the Shareholder must report the dividends received and such dividends will then be taxable at the applicable Belgian non-resident individual or

corporate income tax rate as appropriate. Any Belgian withholding tax levied at source may be credited against the Belgian non-resident individual or corporate income tax and is reimbursable to the extent it exceeds the income tax due, subject to two conditions: (i) the taxpayer must own the Shares (including Shares represented by CDIs) in full legal ownership on the day the beneficiary of the dividends is identified and (ii) the dividend distribution does not result in a reduction in value of or a capital loss on the Shares (including Shares represented by CDIs). The latter condition is not applicable if (i) the non-resident Shareholder can demonstrate that the Shares (including Shares represented by CDIs) were held in full legal ownership for an uninterrupted period of twelve (12) months immediately prior to the payment or attribution of the dividends or (ii) with regard to non-resident companies only, if, during the said period, the Shares (including Shares represented by CDIs) have not belonged in full legal ownership to a taxpayer other than a resident company or a non-resident company which has, in an uninterrupted manner, invested the Shares (including Shares represented by CDIs) in a Belgian permanent establishment.

Dividends paid or attributed to Belgian non-resident individuals who do not use the Shares (including Shares represented by CDIs) in the exercise of a professional activity, may be exempt from Belgian non-resident individual income tax up to the amount of EUR 812 (for income year 2020). Consequently, if Belgian withholding tax has been levied on dividends paid or attributed to the Shares (including Shares represented by CDIs), such Belgian non-resident individual may request in his or her Belgian non-resident income tax return that any Belgian withholding tax levied on dividends up to the amount of EUR 812 (for income year 2020) be credited and, as the case may be, reimbursed. However, if no such Belgian income tax return has to be filed by the Belgian non-resident individual Shareholder, Belgian withholding tax levied on such an amount could in principle be reclaimed by filing a request thereto addressed to the tax official to be appointed in a Royal Decree, subject to formalities.

Capital Gains – Belgian Resident Shareholders

Individuals

Belgian Resident Shareholders holding Shares (including Shares represented by CDIs) in the Company would as a matter of principle not be subject to Belgian income tax on capital gains realised upon the disposal of the Shares provided that such capital gains are realised within the scope of normal management of the individual's private estate; capital losses would in such case not be tax deductible. Capital gains realised by a private individual may however be considered as miscellaneous income taxable at 33% (plus local surcharges) if the capital gains are realised outside the scope of normal management of the individual's private estate. Capital losses would in such case not be tax deductible.

Belgian Resident Shareholders holding Shares (including Shares represented by CDIs) for professional purposes may be taxable at the ordinary progressive personal income tax rates (plus local surcharges) on capital gains realised upon the disposal of the Shares (including Shares represented by CDIs) or, except for Shares held for more than five (5) years, which may under certain circumstances be taxable at a separate rate of 10% (in the framework of cessation of activities under certain circumstances) or 16.5% (plus local surcharges). Capital losses on the Shares (including Shares represented by CDIs) incurred by Belgian resident individuals holding the Shares for professional purposes may be tax deductible. Capital gains realised by Belgian resident individuals upon the redemption of Shares (including Shares represented by CDIs) of the Company or upon the liquidation of the Company would be taxable as a dividend (see above).

Companies

Following Migration, a disposal by a Belgian Resident Shareholder of its Shares (including Shares represented by CDIs) may be exempt from Belgian corporate income tax provided that any potential income distributed in respect of the Shares (or interest in Shares) would be deductible pursuant to the conditions for the application of the Dividend Received Deduction regime. Application of the Dividend Received Deduction regime depends, however, on a factual analysis to be made upon each distribution and its availability should be verified upon each distribution. Shareholders should consult their own tax adviser in this respect.

If one or more of these conditions for the application of the Dividend Received Deduction regime are not met, then any capital gain realised on Shares (including Shares represented by CDIs) will be taxable at the standard corporate income tax rate of 25%, unless the reduced corporate income tax rate

of 20% applies. Capital losses on the Shares incurred by Belgian resident companies are as a general rule not tax deductible.

Capital gains realised by Belgian resident companies upon redemption of the Shares (including Shares represented by CDIs) or upon liquidation of the Company would in principle be subject to the same taxation regime as dividends (see above).

Belgian Non-Resident Shareholders

Belgian Non-Resident Shareholders should in principle not be subject to Belgian income tax on capital gains realised on Shares (including Shares represented by CDIs) unless the Shares (including Shares represented by CDIs) are held as part of a business in Belgium through a fixed base in Belgium or a Belgian permanent establishment. In such case, the same principles apply as described above with regard to Belgian Resident Shareholders – Individuals (holding the Shares for professional purposes) or Belgian Resident Shareholders – Companies.

Shareholders who (i) are not Belgian Resident Shareholders – Individuals, (ii) do not use the Shares (including Shares represented by CDIs) for professional purposes and (iii) have their fiscal residence in a country with which Belgium has not concluded a tax treaty or with which Belgium has concluded a tax treaty that confers the authority to tax capital gains on the Shares to Belgium, could be subject to tax in Belgium if the capital gains are obtained or received in Belgium and arise from transactions that are considered as speculative or as being outside the scope of normal management of the individual's private estate. In such a case the gain is subject to a final professional withholding tax of 30.28% (to the extent that Articles 90.1 and 248 of the Belgian Income Tax Code 1992 are applicable). Belgium has however concluded tax treaties with more than ninety five (95) countries which would generally provide for a full exemption from Belgian capital gains taxation on such gains realised by residents of those countries. Capital losses are generally not deductible in Belgium.

Tax on stock exchange transactions

The purchase and the sale and any other acquisition or transfer for consideration of existing Shares (including Shares represented by CDIs) (secondary market transactions) in Belgium through a professional intermediary is expected to be subject to the tax on stock exchange transactions (taks op de beursverrichtingen/taxe sur les operations de bourse) if it is (i) entered into or carried out in Belgium through a professional intermediary, i.e. credit institutions, stock market companies, trade platforms and any other intermediary that habitually acts as an intermediary in securities transactions, or (ii) deemed to be entered into or carried out in Belgium, which is the case if the order is directly or indirectly made to a professional intermediary established outside of Belgium, either by private individuals with habitual residence in Belgium, or legal entities for the account of their seat of establishment in Belgium (both referred to as Belgian Investor). The tax on stock exchange transactions is not due upon the issuance of Shares (primary market transactions).

The tax on stock exchange transactions is expected to be levied at a rate of 0.35% of the purchase price, capped at EUR 1,600 per transaction and per party.

Such tax is separately due by each party to the transaction, and each of those is collected by the professional intermediary. However, if the transaction is in scope of the tax and the order is, directly or indirectly, made to a professional intermediary established outside of Belgium, the tax is then in principle due by the Belgian Investor, unless that Belgian Investor could demonstrate that the tax has already been paid. In the latter case, the foreign professional intermediary would also need to provide each client (which gives such intermediary an order) with a qualifying order statement (bordereau/borderel), at the latest on the business day after the day the transaction concerned was realised. Alternatively, professional intermediaries established outside of Belgium could appoint a stock exchange tax representative in Belgium, subject to certain conditions and formalities (**Stock Exchange Tax Representative**). Such Stock Exchange Tax Representative will then be liable towards the Belgian Treasury in respect of the transactions executed through the professional intermediary and for complying with the reporting obligations and the obligations relating to the order statement in that respect. If such a Stock Exchange Tax Representative has paid the tax on stock exchange transactions due, the Belgian Investor will, as per the above, no longer be the debtor of the tax on stock exchange transactions.

No tax on stock exchange transactions should be due on transactions entered into by the following parties, provided they are acting for their own account: (i) professional intermediaries described in Article 2, 9° and 10° of the Act of 2 August 2002 on the supervision of the financial sector and financial services; (ii) insurance companies described in Article 2, § 1 of the Belgian Law of July 9, 1975 on the supervision of insurance companies; (iii) pension institutions referred to in Article 2,1° of the Belgian Law of October 27, 2006 concerning the supervision of pension institutions; (iv) collective investment institutions; (v) regulated real estate companies; and (vi) Belgian non-residents provided they deliver a certificate to their financial intermediary in Belgium confirming their non-resident status.

On February 14, 2013 the EU Commission adopted the Draft Directive on a Financial Transaction Tax (FTT). The Draft Directive currently stipulates that once the FTT enters into effect, the participating Member States shall not maintain or introduce any taxes on financial transactions other than the FTT (or VAT as provided in the Council Directive 2006/112/EC of November 28, 2006 on the common system of value added tax). For Belgium, the tax on stock exchange transactions should thus be abolished once the FTT enters into effect. The Draft Directive is still subject to negotiation between the participating Member States and may, therefore, never be passed into law and may be further amended at any time.

Tax on securities accounts

On 4 November 2020, the Belgian tax authorities published a notice in the Belgian State Gazette indicating that the Council of Ministers has approved on 2 November 2020 a preliminary draft law (**Draft Law**) aimed at introducing (a renewed version of) an annual tax on securities accounts (**Draft TSA**). The Draft Law has been submitted for advice to the Belgian Council of State.

The Draft TSA would apply to securities accounts as such and would therefore, in principle, cover all securities accounts held by (i) individuals, including those subject to the Belgian non-resident income tax, and (ii) legal persons subject to the Belgian corporate income tax, the Belgian legal entity tax or Belgian non-resident tax. It would entail an annual tax on the holding of a securities account. The applicable tax base would be the average value of qualifying financial instruments held on a securities account provided said average value exceeds EUR 1,000,000. The applicable tax rate of the Draft TSA is 0.15% and, where applicable, the amount of the tax shall be limited to 10% of the difference between the tax base and EUR 1,000,000. The Draft Law also contains a general anti-abuse provision, which would retroactively apply as from 30 October 2020 preventing, inter alia, (i) the splitting of a securities account where securities are transferred to one or more accounts with the same financial intermediary or to accounts with another financial intermediary with the aim of avoiding that the total value of the securities in one account exceeds EUR 1,000,000, (ii) the opening of securities accounts where securities are spread between accounts with the same financial intermediary or with another financial intermediary with the aim of avoiding that the total value of the securities on one account exceeds EUR 1,000,000, (iii) the conversion of registered shares, bonds and other taxable financial instruments so that they are no longer held in a securities account, with the aim of escaping the tax, (iv) the placing of a securities account subject to the tax in a foreign legal entity that transfers the securities to a foreign securities account, with the intention of avoiding the tax, and (v) placing a securities account subject to the tax in a fund whose parts are placed in registered form, with a view to avoiding the tax. In the above situations, there is a rebuttable presumption of tax avoidance whereby the taxpayer can provide proof to the contrary.

Shareholders are strongly advised to seek their own professional advice in relation to this potential new version of the tax on securities accounts.

In accordance with applicable regulations and public health guidelines in force in Ireland in connection with Coronavirus (COVID-19) we request Shareholders not to attend the Company’s offices but instead to inspect the documents on the Company’s website.
